Markofski shows how the varieties of public religion practiced by evangelical Christians are not always bad news for non evangelicals people of color and those advancing ethical democracy in the United States Markofski argues that multicultural evangelicals can and do work with others across race class religious and political lines to achieve common good solutions to public problems and that they can do so without abandoning their own distinctive convictions and identities or demanding that others do so Just as ethical democracy calls for a more reflexive evangelicalism it also calls for a more reflexive secularism and progressivism
