Levenson,2020-11-17 For those seeking inspiration and devotion for Lent and beyond A Path to Wholeness is an invitation to Lenten observance through biblical passages and reflections The ache of the human heart has always been to be made whole The thrust of the Christian hope is that it can only come to that wholeness by way of a personal relationship with God through Christ This book is intentionally written as an avenue towards deepening strengthening and for some beginning such a relationship during the forty days of Lent This thoughtful book focusing on Jesus life death and resurrection is part of a four part series on seasonal observances and devotions *Lessons on the Kingdom* William Henry B. Henrietta Louisa Lear,1872 **Disturbed by Mind and Spirit** Gavin Knight,Joanna Knight,2009-04-09 Set in the specific context of a culturally diverse inner urban parish where mental health needs are high and the previous incumbent was murdered The book reflects on issues of mental health loss and trauma which are common to all parishes It offers a unique exploration of how mental health in a parish setting can be addressed via the dual perspectives of pastoral theology and clinical psychology It is constructed in pairs of chapters with each theological chapter

followed by its psychological counterpart Thus psychological thinking is used to reflect upon the liturgical pattern of the Eucharist as a means of deepening our awareness of and response to mental health and trauma It aims to help raise the profile of mental health issues present in parish life to encourage individuals to reflect on their own personal stories ideas and belief systems and how these might impact on their ministry and or discipleship in the context of mental health to help recognise and acknowledge that mental health is often a stigmatized forbidden and misunderstood subject one which has no clear cut answers but which challenges our core selves and requires us if we are to respond to it authentically to recognise our own strengths and limitations our areas of expertise and the times when we need to seek additional help or support to offer hope for the renewal of parish life in general not necessarily through specific strategies and solutions but through a deepened understanding of our shared stories of brokenness and healing

**Mission From Below** Dr. Janet Hodgson,2018-01-15 A radical and controversial challenge to the top down leadership models that are so widespread in the church instead making the case for a new model of people driven servant leadership guided by the Holy Spirit towards kingdom growth rather than church growth
