Erwin Olaf Volume II:

Erwin Olaf: Volume II (Signed Edition) ,2014-10-31 Erwin Olaf's approach to storytelling is uniquely evocative and enticingly ambiguous. Critic Francis Hodgson writes of Olaf's images: They lead us to a Stimmung, a sense of atmosphere which is broad enough to repay many second readings of the pictures and so keep us viewers interested. In this presentation of his most recent work, Olaf expands on his established highly polished and stylized color studio images to include a series drawn from his sculptural video installation *Keyholes*, a group of black and white images he has exhibited as carbon prints and photographs created on location in Berlin, a departure from the constructed mises en scène of earlier work produced in his Amsterdam studio. *Erwin Olaf Volume II* showcases the artist at the height of his powers as an artisan of atmosphere and a craftsman who uses high polish to both perverse and seductive effect. Erwin Olaf, born 1959, is a Dutch photographer known for his highly stylized, daring, and often provocative work addressing social issues and taboos. He is the recipient of numerous awards, including the Johannes Vermeer Award 2011, a Lucie Award 2008, and Photographer of the Year in the International Color Awards 2006. His work is shown in museums and galleries around the world. Olaf also received a commission to design the new national side of the Dutch Euro, launched in 2013. Erwin Olaf. Ediz. illustrata ,2020 The volume includes a critical text by Walter Guadagnini and a conversation with the artist. *World War II Goes to the Movies & Television Guide Volume II L-Z* Terry Rowan,2012-01-17 A Complete Film Guide to motion pictures and television shows that pertain to WWII. Facts and stories about Hollywood personal that served in the Armed Forces. War Bond drives USO shows Hollywood Canteen and those who were ruled 4 F during the war. Complete history of world cinema during the years of the war. As well as other interesting facts are also included. Featuring shorts, cartoons, documentaries, and feature films in the second volume. L Z Don't forget the first volume A K edition. New Intimacies, Old Desires Oishik Sircar, Dipika Jain,2017-06-21 In the last 15 years, queer movements in many parts of the world have helped secure the rights of queer people. These moments have been accompanied by the brutal rise of crony capitalism, the violent consequences of the war on terror, the hyper-juridification of politics, the financialization, managerialization of social movements, and the medicalization of non-heteronormative identities/practices. How do we critically read the celebratory global proliferation of queer rights in these neoliberal times? This volume responds to the complicated moment in the history of queer struggles by analysing laws, state policies, and cultures of activism to show how new intimacies between queer sexuality and neoliberalism that celebrate modernity and the birth of the liberated sexual citizen are in fact reproducing the old colonial desire of civilizing the native. By paying particular attention to the problematics of race, religion, and class, this volume engages in a rigorous self-reflexive critique of global queer politics and its engagements, confrontations, and negotiations with modernity and its investments in liberalism, legalism, and militarism, with the objective of queering the ethics of our queer politics.
