### INTRODUCTION

Read this manual carefully to learn how to use and service your machine correctly. Failure to do so could result in personal injury or machine damage.

This manual should be considered a permanent part of your machine and should remain with the machine when you sell it.

This machine is of heavy design. Obvious marks in this manual are shown. Use only marks between and back as specified.

Significant and withheld data are determined by being in the direction of forward travel.

When product identification numbers in the machine's various sections are used, they are used to help in locating the machine about a 100 meter. Your dealer may mark these items here when you order parts. If this manual is kept on the machine, pay for the maintenance. Keep it in a secure place off the machine.

Warning is provided as part of Hitachi's support program for customers who operate and maintain their equipment as specified in this manual. The warning is included in the safety section which you should read immediately after you read this introduction.

The warranty provides you the assurance that Hitachi will stand to protect your interests when you use the warranty period. In some circumstances, Hitachi also provides full replacement, other affected things in the customer, even if the product is out of warranty. Should the equipment be altered or modified to change its performance beyond the original factory specifications, the warranty will become void and full replacement may be denied. Before full delivery, some specifications or otherwise engineering materials will not be full order.

Only qualified, experienced operators should be trained according to local law and should be allowed to operate the machine. However, only officially trained personnel should be allowed to inspect - service the machine.

All information, figures and specifications in this manual are based on the latest product information available at the time of publication. The right is reserved to make changes at any time without notice.
