Before comparing within- and between-group differences, we first examined the overall pattern of groupings together on the basis of the place or space from the students' self-reported drawings. In order to identify the groupings, we compared each page from the 12 students' self-reported drawings to the 12 students' self-reported drawings. The results of the comparison are shown in Table 1. The results of the comparison are shown in Table 1. The results of the comparison are shown in Table 1.
