

Applications

Ideal for property management companies, time-share resorts, corporate housing, individual apartments, or condominiums that can have up to 15,000 rooms. Oracode 660 Series locks replace existing cylindrical, mortise, or exit trim locking devices in either exterior or interior applications.

Online Oracode 660i

The Oracode 660i is the online solution for any property. Upgrading to Oracode 660i provides property managers and owners additional flexibility, security, and peace of mind. The online technology allows the user to communicate directly with the Oracode 660i lock from anywhere in the world. Connected to Oracode Live, the lock sends notifications through the website, keeping property managers and owners informed in real time of an occurring event.

Providing access through a secure keycode while allowing free egress, Oracode 660 is as reliable as a mechanical lock with all the added features of an electronic lock, including audit trail, date/time stamp, and passage and lockout mode. The lock supports up to one million possible code combinations and records the last 5,000 events for increased accountability. The lock is easy to install and works with the Oracode Live web application.
