

# MECHANICS OF FLIGHT

Second Edition

# Solution Manual

A fighter jet is shown in flight against a blue sky with a gradient to a brown ground line at the bottom. The jet is angled upwards and to the right. Overlaid on the jet are several black lines and arrows representing aerodynamic forces and moments. A vertical line passes through the center of the jet, with a curved arrow around it indicating a moment. Another curved arrow is positioned near the nose. A horizontal arrow points to the right from the wing area, and another points to the right from the tail area. The word 'Solution' is written in large red letters above the jet, and 'Manual' is written in large red letters below the jet.
