Beyond 9/11 Chappell Lawson, Alan Bersin, Juliette N. Kayyem, 2020-08-11 Drawing two decades of government efforts to
 secure the homeland experts offer crucial strategic lessons and detailed recommendations for homeland security For
 Americans the terrorist attacks of September 11 2001 crystallized the notion of homeland security But what does it mean to
 secure the homeland in the twenty first century What lessons can be drawn from the first two decades of U S government
 efforts to do so In Beyond 9 11 leading academic experts and former senior government officials address the most salient
 challenges of homeland security today The contributors discuss counterterrorism cybersecurity and critical infrastructure
 protection border security and immigration transportation security emergency management combating transnational crime
 protecting privacy in a world of increasingly intrusive government scrutiny and managing the sprawling homeland security
 bureaucracy They offer crucial strategic lessons and detailed recommendations on how to improve the U S homeland security
 enterprise **Places of Refuge for Ships in Distress** Anthony Morrison, 2012-06-07 The problem of places of refuge for
 ships in distress is a pressing issue in maritime circles Places of Refuge for Ships in Distress by Anthony Morrison examines
 the problem in the context of international and national law and analyses the remedies that have been suggested for
 resolving this troubling issue The book examines places of refuge under international law the laws of four major maritime
 States and the European Union Places of Refuge for Ships in Distress analyses two proposed solutions voluntary guidelines
 and a new convention The book asserts that additional solutions are needed and examines potential alternatives Places of
 Refuge for Ships in Distress is particularly useful not only as an assessment of the specific problem but also the wider
 examination of international maritime and environmental law that underpins any solution It will serve as an essential
 resource to individuals involved in international maritime and environmental law and those concerned with the threat to the
 environment posed by the carriage of dangerous goods by sea Code of Federal Regulations , 2006 *The Duty of the*
Shipmaster to Render Assistance at Sea under International Law Felicity G. Attard, 2020-08-25 In The Shipmaster s Duty to
 Render Assistance at Sea under International Law Felicity G Attard examines the web of applicable international rules
 regulating one of the most fundamental obligations at sea The study explores the shipmaster s duty to render assistance at
 sea under treaty law customary international law and other international instruments It focuses on an assessment of the duty
 in light of contemporary challenges posed by the phenomenon of irregular migration by sea a problem which has intensified
 in recent years Whilst Article 98 of the 1982 United Nations Convention on the Law of the Sea provides the basis for the

regime regulating the duty the study addresses other relevant rules adopted by the International Maritime Organization and the International Labour Organization Due to the humanitarian ramifications of the rendering of assistance at sea the book considers further obligations imposed under human rights law and refugee law The study presents a comprehensive analysis of shipmaster s responsibilities in rescue operations and their role in the fulfilment of States international obligations in the rendering of assistance
