

The Joint Commission's Medicare Deemed Status Process for ASCs:

5 Basic Steps

1. Review the benefits of Joint Commission Deemed Status Process:

- The Joint Commission is designated by the Centers for Medicare and Medicaid Services (CMS) as an approved accreditor for ASCs seeking Medicare initial certification.
- Joint Commission process provides accreditation and Medicare certification simultaneously.
- Cost of accreditation/certification is divided into installments paid over your three (3) year accreditation cycle.

2. Request ASC Deemed Status Information with your application:

- Call directly at 800.762.6090 or request an application via e-mail, ASC@jointcommission.org.
- Complete the electronic application on-line:
 - Click "yes" button for ambulatory deemed status.
 - Make sure to answer the ASC-specific Medicare questions.
- Call your Account Executive directly (800.762.3007) if you experience difficulty completing the application.
- Provide the specific date by which your ASC will be ready to undergo an unannounced deemed status survey.
- It is crucial that the 855B Form – an official CMS document – is completed, submitted and accepted by your State authority prior to scheduling a deemed status survey. To access the 855B Form, go to www.jointcommission.org/CMSForms.
- Submit \$1,700 deposit:
 - E-pay or credit card payment expedites process.
 - Call 800.762.6092 if you encounter problems submitting deposit.
- Prompt payment of your \$1,700 deposit is critical:
 - Triggers mailing of your standards manual (Comprehensive Accreditation Manual for Ambulatory Care – CAMAC).
 - Triggers access to E-dien, the electronic version of your CAMAC standards manual.
 - Application will not be processed until your deposit is received.
 - Deemed status survey cannot be scheduled until your deposit is received and 855B Form is accepted by your State authority.

3. Understand pre-survey expectations:

- Thoroughly review your ambulatory standards manual, the CAMAC and the Medicare "Conditions for Coverage" (CFCs), provided in the CAMAC.
- Thoroughly review your ASC's organizational policies & procedures against CAMAC standards.
- Ensure minimum three (3) surgical cases performed, with one (1) acute patient at the time of survey.
- Deemed Status survey will be unannounced (initiated by CMS).
- Additional expectations from CMS must be addressed during the on-site survey. You must provide the surveyor with:
 - List of surgical cases from six months prior to survey.
 - List of cases from previous 12 months that required a patient to be transferred to a hospital or cases during which the patient died.
 - Documents related to your infection control program (e.g., description, policy, procedures, surveillance data) and the Infection Control Worksheet.
- Minimum Deemed Status survey length = 2 days (based on surgical volume and number of surgeons).
