The Fundamentals of Contract Law and Clauses Nancy S. Kim,2016 This accessible textbook helps students learn essential transactional skills by explaining the meaning and purpose of common contract clauses and exploring some potential pitfalls associated with their use Nancy Kim utilizes select case summaries and contract clause examples to illustrate doctrinal concepts and how they may affect a transaction The Fundamentals of Contract Law and Clauses will prove to be an invaluable resource in the classroom as it will support law students in becoming preventive lawyers by teaching them how to preempt problems reduce risks and add value to transactions      **Contract Law Essentials** Seth

Oranburg,2021-08-17 This book covers key topics in contract law It is designed for a short course format that is focused on practical knowledge and is well suited for non lawyers      **Florida Real Estate Principles, Practices & Law** George Gaines,David Coleman,Linda L. Crawford,2001-11      Public Law Essentials Jean McFadden,2016-08-30 Looking at the UK and Scotland Public Law Essentials is an invaluable guide for law students throughout the United Kingdom and for practising lawyers needing a quick reference From the monarchy to the UK and Scottish parliaments and from judicial review to the parliamentary ombudsman this fully updated second edition gives you all the coverage of public law that you need for your course your exams and your practice In particular the Scots law sections have been updated in light of the Smith Commission and the Scotland Bill 2015 16 Handy reference sections include tables of cases statutes and conventions and summaries of essential facts and cases      Essential GCSE Law Kenny Chin,2014-04-04 This book is part of the Cavendish Essential series

The books in the series are designed to provide useful revision aids for the hard pressed student They are not of course intended to be substitutes for more detailed treatises Other textbooks in the Cavendish portfolio must supply these gaps The Cavendish Essential Series is now in its second edition and is a well established favourite among students The team of authors bring a wealth of lecturing and examining experience to the task in hand Many students who have studied or are studying law find the experience painful One of the main complaints is that there is so much to learn and so many cases to remember This book is written based on both A Level and GCSE Law Syllabus For students who progress to higher level this

book can also be used as a basis for them to develop their own personal law revision notes     Essentials of Personal Financial Planning Susan M. Tillery, Thomas N. Tillery, 2018-09-21 ESSENTIALS OF PERSONAL FINANCIAL PLANNING

Essentials of Personal Financial Planning was written to challenge the status quo by promoting personal financial planning PFP as a profession not as a sales tool to gather assets under management or facilitate sales of insurance products The book takes a comprehensive and integrated approach to PFP for accounting students allowing them to view the profession through the lens of a CPA with integrity and objectivity This book systematically introduces the essentials of all the major PFP topics estate retirement investments insurance and tax as well as The PFP process concepts and regulatory environment Professional responsibilities of a CPA personal financial planner and the requirements of the Statement on Standards in PFP Services Time value of money concepts The book then builds on these foundational concepts showing their interconnectivity and professional opportunities to provide a deeper understanding of PFP and its application After reading this book students will be able to apply the knowledge and skills gained from this course to have an immediate and long term positive impact for themselves and for the clients they serve
