Summary of the Great Gatsby F.

Scott Fitzgerald, Blake Wallace, 2017-04-22 The Great Gatsby is a 1925 novel written by American author F Scott Fitzgerald that follows a cast of characters living in the fictional town of West Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan. Considered to be Fitzgerald's magnum opus, The Great Gatsby explores themes of decadence, idealism, resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream. Fitzgerald inspired by the parties he had attended while visiting Long Island's north shore began planning the novel in 1923, desiring to produce in his words something new, something extraordinary and beautiful and simple and intricately patterned. Progress was slow with Fitzgerald completing his first draft following a move to the French Riviera in 1924. His editor Maxwell Perkins felt the book was vague and persuaded the author to revise over the next winter. Fitzgerald was repeatedly ambivalent about the book's title and he considered a variety of alternatives including titles that referenced the Roman character Trimalchio, the title he was last documented to have desired was Under the Red White and Blue. First published by Scribner's in April 1925, The Great Gatsby received mixed reviews and sold poorly in its first year; the book sold only 20,000 copies. Fitzgerald died in 1940, believing himself to be a failure and his work forgotten. However, the novel experienced a revival during World War II and became a part of American high school curricula and numerous stage and film adaptations in the following decades. Today, The Great Gatsby is widely considered to be a literary classic and a contender for the title Great American Novel. In 1998, the Modern Library editorial board voted it the 20th century's best American novel and second best English language novel of the same time period.

The Great Gatsby F Scott Fitzgerald, 2021 This version of The Great Gatsby includes the full story as written by F Scott Fitzgerald as well as chapter by chapter summaries written by the publisher Orion Siebert. It's 1922 and Nick Carraway has just moved to the West Egg, the nouveau riche part of New York and much less dignified than the illustrious East Egg. All around him is decadence and shine, especially from his neighbor Jay Gatsby, a mysterious well-respected man in the West Egg. Gatsby is well known for his fabulous weekly parties, but there's more going on here behind the colorful flares, fireworks, and generosity, and Nick is going to be the one to watch it all unfold. The Great Gatsby is a journey of love and lust, pride and humility, and dreams and defeats.
