Lire Lapocalypse De Saint Jean:

Lire l'Apocalypse de Saint Jean Henry de Villefranche, 2013-09-05 Le pape François quand il était archevêque de Buenos Aires aimait dire que tout chrétien devrait lire un passage de l'Apocalypse tous les jours pour se fortifier devant les défis que chacun doit affronter. Il a mille fois raison même si le mot apocalypse a généralement mauvaise presse. Cela empêche nombre de bonnes volontés d'entreprendre la lecture du livre de la Bible qui porte ce nom. Peu peuvent lire ce qu'il mérite. Il vient pourtant en conclusion de tous les écrits bibliques et cela lui confère une importance majeure puisque la conclusion en bonne littérature tient une place prépondérante dans la compréhension d'un livre. Nous voulons donc aider le lecteur entrer en sympathie avec la conclusion de la Bible. Nous le ferons en donnant quelques clés de lecture liées ce genre de texte en proposant un plan et surtout en définissant clairement l'objet du livre qui est tout la fois la révélation de Jésus-Christ et l'aboutissement du projet divin de sauver les hommes.

Reading Revelation Gordon W. Campbell, 2022-01-01 The Book of Revelation can be read in various ways. Where interpretation opts not to venture beyond Revelation or approach the book as a forecast of end time events it typically favours either going behind the text in search of a socio historical context of origin to which it might refer or else standing in front of the text and investigating the book's reception history or its present relevance and impact. Comparatively little interpretative work has been undertaken inside the text exploring the mechanics of how Revelation works still less how its complex parts might fit together into a meaningful whole. Gordon Campbell considers Revelation to be a coherent narrative composition that draws its hearer or reader into its text world. In *Reading Revelation A Thematic Approach* Campbell gives an innovative account of Revelation's sophisticated thematic content. Mindful of Revelation's narrative verve or its architecture en mouvement as Jacques Ellul once put it Campbell plots a series of thematic trajectories through the book. On this reading parody and parallelism fundamentally shape the whole narrative. As a first ever integrated account of Revelation's macro themes *Reading Revelation* makes an important contribution to Revelation scholarship. In its light the book may justifiably be seen as the crowning achievement of the Scriptures.

Introduction au Nouveau Testament Daniel Marguerat, 2008 *Elenchus of Biblica* Maria J. Schoenmaeckers, Robert Althann, 2004-12-20 Le 23 novembre 1964 jour de la promulgation de *Lumen Gentium* la constitution dogmatique sur l'Église marque un événement c'est la première fois dans l'histoire de l'Église qu'une assemblée de la Sainte Église s'exprime solennellement sur la vie consacrée. Le sixième chapitre de la constitution traite de la signification et de l'essence de la vie religieuse la reliant au mystère de l'Église peuple de Dieu. Ce texte conciliaire présente la vie religieuse comme un état canonique celui du chrétien qui tend dans un institut de perfection à la charité parfaite et consacre sa vie à Dieu et aux hommes par la profession des conseils évangéliques de chasteté, pauvreté et obéissance. De toute évidence cette déclaration doctrinale est importante pour l'Église et pour le développement de la vie consacrée dans l'Église. En lisant *Lumen Gentium* on est assez vite frappé par le début abrupt du sixième chapitre sur les religieux car tous les autres chapitres s'ouvrent par une brève

introduction Cepedant on ne peut deracher ce chapitre de ce que a ete dit precedemment sur la vocation universelle a la saintete En fait l histoire du texte fait clairement ressortir le lien qui unit ces chapitres , Revelation Wilfrid J. Harrington,2008 Revelation a prophetic apocalyptic letter is a profoundly Christian text Father Harrington is concerned to open up Revelation and to convey its Christian message After an introduction he provides a new translation of each section of the writing followed by notes which deal with mattes of text and content that require clarification He then treats the passage as a whole by discussing its literary character its theological significance and its relevance to our situation Bibliographies direct the reader to important modern studies Father Harrington brings his scholarship to the Book of Revelation and conveys its Christian message He puts the work in its historical and social setting a first century c e province of the Roman Empire and explores its social and religious background and its literary character Through Father Harrington we hear clearly the challenge of John the prophet to the Churches of his time and to ours not to compromise the gospel message *Sacra Pagina: Revelation* Wilfrid J.
