The kindly doctor was entertaining his brother in law and all the family were sitting round the table in state The polished silver and shining glass with porcelain flowers and fruit seemed to be all that had been provided for the dinner The usual grace had hardly been said when a trim maid announced that a little girl was at the door who must see the doctor about something particular There is nobody sick more than usual she says but she must come in continued the irritated damsel in waiting Let her come in here You can never have your meals in peace said the doctor s wife affectionately The soup and the little girl came in together the latterly evidently quite prepared to state her errand She was a small straight child with a determined air and a cheery face as if sure of success in her undertaking Fresh in Monday cleanliness her white cotton head kerchief stood stiffly out in a point behind and her calico apron was without spot or wrinkle Her shoes though they had been diligently blackened and were under high polish did not correspond with the rest of her appearance They had evidently been made for a boy an individual much larger than their present wearer Great wrinkles crossing each other shut off some low unoccupied land near the toe and showed how much of the sole had been too proud to touch the common ground All this the observers saw at once Well Tora said the doctor pleasantly after she had dropped her bob courtesies and good days had been exchanged May I sing for you said the little girl without further hesitation as she hastily took out a thin black book from the small pocket handkerchief in which it had been carefully wrapped Sing yes surely said the doctor Just the thing for us while we are taking our dinner My brother in law here is a famous judge of music so you must do your best Tora opened the book took what she considered an imposing position and announced the name of the song It was a patriotic one and in the full chorus of the schoolroom it had stirred the young Swedish hearts to their depths **Little Tora: The Swedish Schoolmistress and Other Stories** Mrs. Woods Baker, 2020-07-30
