Live For Me Erin McCarthy, 2015-01-09 The solace she sought In and out of foster care her whole life Tiffany Ennis has never had space or privacy so housesitting a mansion on the coast of Maine with only the absentee rich owner's dog for company is pure bliss But her peace is shattered when the injured owner returns to his compound unexpectedly Tiffany finds him to be sexy and intriguing showing an interest in her that must be mocking given that everyone's always told her she's plain nothing special Becomes an affair she never expected Devin Gold known in the music industry as Gold Daddy is usually in New York City attending drop parties and having men and women alike throw themselves at him and Tiffany wishes he'd stayed there There's no reason for a top producer to hole up in Maine in the dead of winter and every time she turns around he's asking her prying questions She finds herself starting to enjoy their intellectual conversations and clever sparring matches and in a hot minute she's falling for him Even knowing that he's a decade older filthy rich and could only want her for his momentary amusement Yet even when he hosts beautiful and confident guests from the city he still seems to prefer her company and is protective when odd things start happening around the house threatening her safety But how far is Tiffany willing to go with a man who is still very much married estranged wife or not just to feel special And all the lines between past and present and right and wrong are blurred *Blurred Lines* Erin McCarthy, 2016-07 **Blurred Lines**

McLaughlin, 2015-01-23 Once burned Finding my fiancé naked on my couch might've been a good thing if her ex boyfriend hadn't been with her For the past eight years I've been a witness to the power of true love but after getting burned I'd decided there wasn't any hope for me finding it for myself Until I met Noelle Brandt in a hotel bar Maybe it wasn't the most romantic meeting but the moment I met her I knew I had to have her The more I learn about her the more I know I'll do whatever it takes to keep her Twice shy I'd already found the love of my life but I'd lost that love forever And I'd been lost

ever since But one night a wounded man makes all of that go away He makes me laugh live and feel alive When he tells me he has no intention of letting me go I finally begin to believe in the power of true love again That is until I find out who he really is and by then it's far too late to correct the mistakes we've already made By the time we both know the truth the lines have already been blurred beyond recognition **Blurred Lines** L A Cotton,2021-03-23 USA Today and Wall Street Journal bestselling author L A Cotton brings readers a FREE series prequel enemies to lovers sports romance Angst drama friendship and football Will you survive senior year Miley Fuller has life all mapped out But when the first day of senior year rolls around and not everyone has forgotten her betrayal Miley knows it's going to take a lot more than I'm sorry to fix things Avery Chase has his sights set on football But the star quarterback is about to find himself working with the one girl he resents more than anything It starts with a shaky truce Unite forces to repair the damage caused by Miley's expose on the team and help her finish her college submission He's everything she despises She's everything he's supposed to hate Only they both have too much riding on their senior year to quit But the problem with faking it sometimes it becomes real
