

WORLDSPAN Interface Preparation

Preparing for Interface

Preparing for interface starts by contacting your Worldspan representative. When WORLDSPAN enables interface for your office, they assign the interface a line number, or LN#ATA, just like your printers. The Host sees this address as a TAIR device. You need to know this LN#ATA for many of the formats used to control transmission from the interface queue. For further information see your WORLDSPAN documentation.

Contact your WORLDSPAN sales representative to establish any branch links that may be required for interface. To interface multiple branches setup the ARC/BSP table in Trams Back Office (Windows) Utilities prior to your first interface session. MULTI-BRANCH is a billable option in Trams Back Office (Windows) only when setup for separate financial statements.

WORLDSPAN Image to Disk- Single file U.S. TAIR

This means that WORLDSPAN creates a single file for all TAIR (Travel Agent Interface Record) messages where HPM and Interface is installed. In order to interface successfully, Trams must have access to the PC where the HPM interface is installed. File and printer sharing are required. Check with WORLDSPAN Technical Support for assistance. Once the WORLDSPAN HPM and Interface is setup, you can access the download utility in Trams, and select CRS: Worldspan Image to Disk and locate the PNR FILE PATH: c:\wspan\hpm\output\logair.dat (Consult with WORLDSPAN or your Technician for correct path.)

Worldspan - Multi-file INTL TAIR

This means that WORLDSPAN creates a separate file record PER Interface TAIR (Travel Agent Interface Record) where HPM and Interface is installed. In order to interface successfully, Trams must have access to the PC where the HPM interface is installed. File and printer sharing are required. Check with WORLDSPAN Technical Support for assistance. Once the WORLDSPAN HPM and Interface is setup, you can access the download utility in Trams, and select CRS: Worldspan and locate the PNR FILE PATH: c:\wspan\hpm\output (Consult with Worldspan or your Technician for correct path.)

Note: When multi-file INTL TAIR is set up, a Windows Scheduled Task can be setup to manage automated downloads in Trams. (Does not work with a single file U.S. TAIR configuration.)

TAIR Level 20

WORLDSPAN currently has different interface levels which control the format of the TAIR records generated by Invoice and Ticketing commands. Trams Back Office (Windows) supports WORLDSPAN interface level 20. Interface levels can be changed with the WORLDSPAN command 4G@MY20. To view your office profile and interface level in Worldspan type 4G. (The @ represents the change key in Worldspan.)

WORLDSPAN PLATFORM	Settings in Trams Back Office
Worldspan Go Res	C:\WSPAN\HOSTPRT\LOGAIR.DAT (The CRS option in the Trams Back Office Download screen needs to be set to WORLDSPAN Image to Disk and not Worldspan.)
Worldspan Go Res	C:\WSPAN\HPM\OUTPUT (The CRS option in the Trams Back Office Download

Manual Of Worldspan

GIANCARLO PASTORE

Manual Of Worldspan:

Airline Cabin Crew Training Manual Emmy Arsonval Maniriho, 2022-11-12 Working as cabin crew for international and domestic airlines is a stunning and challenging experience In addition to jetting off to exotic destinations the job also requires a high degree of responsibility and specialization to ensure the safety and comfort of passengers in line with civil aviation industry regulations It takes a lot of time determination and enthusiasm but cabin crew training is also a lot of fun This Airline cabin crew training manual provides with everything a cabin crew staff needs to know before during and after flying moment This manual gives an ideal approach on how to deal with cabin safety and airline services It is designed for the people who like to become an Airhostess and stewards Many young people opt for cabin crew as a full fledged career prospect because of the high salaries exciting experience of flying and interacting with different kinds of people on board and visiting several countries The liberation of Aviation industry in many countries has created a lot of job opportunities in airline and airport sector This Airline Cabin Crew Training Manual is meant to prepare airline professionals and students to handle the toughest moments in airlines and Airports **ABA/BA Lawyers' Manual on Professional Conduct** ,2002
