B. Tech I Semester End Examinations (Regular), Nov / Dec – 2017

ENGINEERING DRAWING

(Common to ECE, CSE & IT)

Time: 3 hours

Max. Marks: 60

Answer ONE question from each unit

All Questions Carry Equal Marks

All parts of the questions must be answered at one place only

UNIT – I

- 1 a Construct a regular pentagon of 40 mm side by any two methods. CO1 [4M]
 b Draw a straight line AB of any length. Mark a point F, 65 mm from AB. Trace the paths of a point P moving in such a way, that the ratio of its distance from the point F, to its distance from AB is 2:3. Name the curve. Draw normal and tangent to the curve at a point on it, 50 mm from F. CO1 [8M]

OR

- 2 a Draw a rectangle having its sides 125 mm and 75 mm long. Inscribe a parabola in it. CO1 [6M]
 b Construct a diagonal scale of Representative Fraction is 1/4000 to show meters and long enough to measure up to 500 meters. Show on a distance of 374 meters and 153 meters. CO1 [6M]

UNIT – II

- 3 a Two points A and B are in the Horizontal Plane. The point A is 30 mm in front of Vertical Plane, while B is behind the Vertical Plane. The Distance between their projectors is 75 mm and the line joining their top views makes an angle 45° with xy. Find the distance of the point B from CO2 [4M]

ICIPEG 2014 Mariyamni Awang, Berihun Mamo Negash, Nur Asyraf Md Akhir, Luluan Almannan Lubis, 2015-03-20 This book presents the proceedings of the 3rd International Conference on Integrated Petroleum Engineering and Geosciences 2014 ICIPEG 2014 Topics covered on the petroleum engineering side include reservoir modeling and simulation enhanced oil recovery unconventional oil and gas reservoirs production and operation Similarly geoscience presentations cover diverse areas in geology geophysics palaeontology and geochemistry The selected papers focus on current interests in petroleum engineering and geoscience This book will be a bridge between engineers geoscientists academicians and industry

Proceedings of the 22nd International Conference on Industrial Engineering and Engineering Management 2015 Ershi Qi, Jiang Shen, Runliang Dou, 2016-02-05 Being the premier forum for the presentation of new advances and research results in the fields of Industrial Engineering IEEM 2015 aims to provide a high level international forum for experts scholars and entrepreneurs at home and abroad to present the recent advances new techniques and applications face and face to promote discussion and interaction among academics researchers and professionals to promote the developments and applications of the related theories and technologies in universities and enterprises and to establish business or research relations to find global partners for future collaboration in the field of Industrial Engineering All the goals of the international conference are to fulfill the mission of the series conference which is to review exchange summarize and promote the latest achievements in the field of industrial engineering and engineering management over the past year and to propose prospects and vision for the further development This volume is the second of the two proceedings volumes from this conference

2014 International Conference on Artificial Intelligence and Software Engineering (AISE2014) S. K. Chen, Altair Engineering Inc., California, USA, Y. H. Chang, Chihlee Institute of Technology, Taiwan, 2014-02-06 2014 International Conference on Artificial Intelligence and Software Engineering AISE2014 aims to provide a forum for accessing to the most up to date and authoritative knowledge from both Artificial Intelligence and Software Engineering AISE2014 features unique mixed topics of AI Algorithms Data Mining Knowledge based Systems Software Process and so on The goal of this conference is to bring researchers engineers and students to the areas of Artificial Intelligence and Software Engineering to share experiences and original research contributions on those topics Researchers and practitioners are invited to submit their contributions to AISE2014

Emerging Trends in Engineering, Science and Technology for Society, Energy and Environment Rajesh Vanchipura, K.S. Jiji, 2018-08-06 The International Conference on Emerging Trends in Engineering Science and Technology ICETEST was held at the Government Engineering College Thrissur Kerala India from 18th to 20th January 2018 with the theme Society Energy and Environment covering related topics in the areas of Civil Engineering Mechanical Engineering Electrical Engineering Chemical Engineering Electronics Communication Engineering Computer

Science and Architecture Conflict between energy and environment has been of global significance in recent years Academic research needs to support the industry and society through socially and environmentally sustainable outcomes ICETEST 2018 was organized with this specific objective The conference provided a platform for researchers from different domains to discuss and disseminate their findings Outstanding speakers faculties and scholars from different parts of the world presented their research outcomes in modern technologies using sustainable technologies

Production Management and Engineering Sciences Milan Majerník, Naqib Daneshjo, Martin Bosák, 2015-11-09 These are the proceedings of the International Conference on Engineering Science and Production Management 16th 17th April 2015 Tatranská Trávnica High Tatras Mountains Slovak Republic The proceedings contain articles focusing on Production Management Logistics Industrial development sustainable production Planning management and pr

Handbook of the International Political Economy of Energy and Natural Resources Andreas Goldthau, Michael F. Keating, 2018-01-26 This Handbook offers a comprehensive overview of the latest research from leading scholars on the international political economy of energy and resources Highlighting the important conceptual and empirical themes the chapters study all levels of governance from global to local and explore the wide range of issues emerging in a changing political and economic environment

Nanofluids Technology for Thermal Sciences and Engineering Mukesh Kumar Awasthi, Nitesh Dutt, Ashwani Kumar, 2024-08-28 This text highlights how nanofluids can be used in thermal solutions across multiple industries including electronics energy and manufacturing It emphasizes the enhanced heat transfer properties of nanofluids and their potential to significantly improve the efficiency of heat exchange processes This book discusses topics such as nanoparticle synthesis nanofluid testing performance enhancement using nanofluids thermal behavior of hybrid nanofluids Brinkman equation in nanofluids and safety considerations in nano fluid based systems This book Discusses the recent innovation technological development of nanofluids and explores nanoparticle synthesis and characterization for nanofluid development Offers a comprehensive understanding of nanofluid technology and nanofluid for aerospace application covering diverse topics from fundamental properties to advanced research frontiers in nanofluids for thermal engineering Includes real world case studies and practical techniques that will help the readers to apply nanofluid technology in various thermal engineering scenarios Covers heat exchanger performance improvement with nanofluids hybrid nanofluids Flow of Newtonian and Non Newtonian hybrid Nanofluid and oil based Tri hybrid Nanofluid Explains experimental techniques for nanofluid testing and validation and presents safety and environmental considerations in nanofluid based systems It is primarily written for senior undergraduates graduate students and academic researchers in the fields of manufacturing engineering industrial engineering production engineering mechanical engineering automotive engineering and aerospace engineering

Advances and Trends in Engineering Sciences and Technologies III Mohamad Al Ali, Peter Platko, 2019-03-25 These are the proceedings of the 3rd International Conference on Engineering Sciences and Technologies ESaT 2018 held from 12th

14th September 2018 in the High Tatras Mountains Tatransk Matliare Slovak Republic ESaT 2018 was organized under the auspices of the Faculty of Civil Engineering Technical University of Košice Slovak Republic in collaboration with Peter the Great St Petersburg Polytechnic University Russia after the successful organization with excellent feedback of the previous international conferences ESaT 2015 and ESaT 2016 The proceedings is covering various topics and disciplines in civil engineering sciences such as Buildings and Architectural Engineering Bearing Structures Material and Environmental Engineering Construction Technology and Management Building Physics and Facilities Geodesy Surveying and Mapping Geotechnics and Traffic Engineering The proceedings report on new and original progress and trends in various fields of engineering sciences that will be of interest to a wide range of academics and professionals from university and industry 116 papers originating from more than 10 countries have been accepted for publication in the conference proceedings Each accepted paper was reviewed by two reviewers selected according to the scientific area and orientation of the paper which guarantees topicality quality and an advanced level of the presented results

Computer-Aided Glaucoma Diagnosis System
Arwa Ahmed Gasm Elseid, Alnazier Osman Mohammed Hamza, 2020-05-14 Glaucoma is the second leading cause of blindness globally Early detection and treatment can prevent its progression to avoid total blindness This book discusses and reviews current approaches for detection and examines new approaches for diagnosing glaucoma using CAD system Computer Aided Glaucoma Diagnosis System Chapter 1 provides a brief introduction of the disease and current methodology used to diagnose it today Chapter 2 presents a review of the medical background of the disease followed by a theoretical and mathematical background used in fundus image processing Chapter 3 is a literature review about segmentation and feature extraction Chapter 4 describes the formulation of the proposed methodology In Chapter 5 the results of optic disc and optic cup segmentation algorithm are presented the feature extraction and selection method experimental results and performance evaluations of the classifier are given Chapter 6 presents the conclusions and discussion of the future potential for the diagnostic system This book is intended for biomedical engineers computer science students ophthalmologists and radiologists looking to develop a reliable automated computer aided diagnosis system CAD for detecting glaucoma and improve diagnosis of the disease Key Features Discusses a reliable automated computer aided diagnosis system CAD for detecting glaucoma and presents an algorithm that detects optic disc and optic cup Assists ophthalmologists and researchers to test a new diagnostic method that reduces the effort and time of the doctors and cost to the patients Discusses techniques to reduce human error and minimize the miss detection rate and facilitate early diagnosis and treatment Presents algorithms to detect cup and disc color shape features and RNFL texture features Dr Arwa Ahmed Gasm Elseid is an assistant professor Department of Biomedical Engineering Sudan University of Science and Technology Khartoum Sudan Dr Alnazier Osman Mohammed Hamza is professor of Medical Imaging College of Engineering Sudan University of Sciences and Technology Khartoum Sudan

Advances and Trends in Engineering Sciences and Technologies II Mohamad Al Ali, Peter

Platko,2016-11-30 These are the proceedings of the 2nd International Conference on Engineering Sciences and Technologies ESaT 2016 held from 29th of June until the 1st of July 2016 in the scenic High Tatras Mountains Tatransk Matliare Slovak Republic After the successful implementation and excellent feedback of the first international conference ESaT 2015 ESaT 2016 was organized under the auspices of the Faculty of Civil Engineering Technical University of Košice Slovak Republic in collaboration with the University of Miskolc Hungary The conference focused on a wide spectrum of topics and subject areas in civil engineering sciences The proceedings bringing new and original advances and trends in various fields of engineering sciences and technologies that attract a wide range of academics scientists researchers and professionals from universities and practice The authors of the articles originate from different countries around the world guaranteeing the importance topicality quality and level of presented results

ICPMG2014 - Physical Modelling in Geotechnics Christophe Gaudin,David White,2019-01-08 The 8th International Conference on Physical Modelling in Geotechnics ICPMG2014 was organised by the Centre for Offshore Foundation Systems at the University of Western Australia under the auspices of the Technical Committee 104 for Physical Modelling in Geotechnics of the International Society of Soil Mechanics and Geotechnical Engineering This quadrennial conference is the traditional focal point for the physical modelling community of academics scientists and engineers to present and exchange the latest developments on a wide range of physical modelling aspects associated with geotechnical engineering These proceedings together with the seven previous proceedings dating from 1988 present an inestimable collection of the technical and scientific developments and breakthroughs established over the last 25 years These proceedings include 10 keynote lectures from scientific leaders within the physical modelling community and 160 peer reviewed papers from 26 countries They are organised in 14 themes presenting the latest developments in physical modelling technology modelling techniques and sensors through a wide range of soil structure interaction problems including shallow and deep foundations offshore geotechnics dams and embankments excavations and retaining structures and slope stability Fundamental aspects of earthquake engineering geohazards ground reinforcements and improvements and soil properties and behaviour are also covered demonstrating the increasing complexity of modelling arising from state of the art technological developments and increased understanding of similitude principles A special theme on education presents the latest developments in the use of physical modelling techniques for instructing undergraduate and postgraduate students in geotechnical engineering

Proceedings of Mechanical Engineering Research Day 2017 Mohd Fadzli Bin Abdollah,Tee Boon Tuan,Mohd Azli Salim,Mohd Zaid Akop,Rainah Ismail,Haslinda Musa,2017-05-29 This e book is a compilation of papers presented at the Mechanical Engineering Research Day 2017 MERD 17 Melaka Malaysia on 30 March 2017

Advanced Mathematical Techniques in Engineering Sciences Mangey Ram,J. Paulo Davim,2018-05-04 The goal of this book is to publish the latest mathematical techniques research and developments in engineering This book includes a comprehensive range of mathematics applied in engineering areas for different tasks Various mathematical tools

techniques strategies and methods in engineering applications are covered in each chapter Mathematical techniques are the strength of engineering sciences and form the common foundation of all novel disciplines within the field Advanced Mathematical Techniques in Engineering Sciences provides an ample range of mathematical tools and techniques applied across various fields of engineering sciences Using this book engineers will gain a greater understanding of the practical applications of mathematics in engineering sciences Features Covers the mathematical techniques applied in engineering sciences Focuses on the latest research in the field of engineering applications Provides insights on an international and transnational scale Offers new studies and research in modeling and simulation

Advanced Computational Fluid and Aerodynamics Paul G. Tucker,2016-03-15 This book outlines the computational fluid dynamics evolution and gives an overview of the methods available to the engineer

The Oxford Handbook of the Economics of Networks Yann Bramoullé,Andrea Galeotti,Brian Rogers,2016-03-01 The Oxford Handbook of the Economics of Networks represents the frontier of research into how and why networks they form how they influence behavior how they help govern outcomes in an interactive world and how they shape collective decision making opinion formation and diffusion dynamics From a methodological perspective the contributors to this volume devote attention to theory field experiments laboratory experiments and econometrics Theoretical work in network formation games played on networks repeated games and the interaction between linking and behavior is synthesized A number of chapters are devoted to studying social process mediated by networks Topics here include opinion formation diffusion of information and disease and learning There are also chapters devoted to financial contagion and systemic risk motivated in part by the recent financial crises Another section discusses communities with applications including social trust favor exchange and social collateral the importance of communities for migration patterns and the role that networks and communities play in the labor market A prominent role of networks from an economic perspective is that they mediate trade Several chapters cover bilateral trade in networks strategic intermediation and the role of networks in international trade Contributions discuss as well the role of networks for organizations On the one hand one chapter discusses the role of networks for the performance of organizations while two other chapters discuss managing networks of consumers and pricing in the presence of network based spillovers Finally the authors discuss the internet as a network with attention to the issue of net neutrality

New Developments in Engineering Education for Sustainable Development Walter Leal Filho,Susan Nesbit,2016-06-23 This book discusses essential approaches and methods in connection with engineering education for sustainable development Prepared as a follow up to the 2015 Engineering Education in Sustainable Development EESD Conference held in British Columbia Canada it offers the engineering community key information on the latest trends and developments in this important field Reflecting the need to address the links between formal and informal education the scholars and professionals who contribute to this book show by means of case studies and projects how the goal of fostering sustainable development in the context of

engineering education can be achieved In particular they discuss the need for restructuring teaching at engineering focused institutions of higher education and provide practical examples of how to do so The book places special emphasis on state of the art descriptions of approaches methods initiatives and projects from around the world illustrating the contribution of engineering and affiliated sciences to sustainable development in various contexts and at an international scale

SOUVENIR of 4th International Science Congress Prof. Dipak Sharma, Technology and Society, second edition Deborah G. Johnson, Jameson M. Wetmore, 2021-08-24 Writings by thinkers ranging from Rokeya Sakhawat Hossain to Bruno Latour that focus on the interconnections of technology society and values Technological change does not happen in a vacuum decisions about which technologies to develop fund market and use engage ideas about values as well as calculations of costs and benefits In order to influence the development of technology for the better we must first understand how technology and society are inextricably bound together These writings by thinkers ranging from Bruno Latour to Francis Fukuyama help us do just that examining how people shape technology and how technology shapes people This second edition updates the original significantly offering twenty one new essays along with fifteen from the first edition The book first presents visions of the future that range from technological utopias to cautionary tales and then introduces several major STS theories It examines human and social values and how they are embedded in technological choices and explores the interesting and subtle complexities of the technology society relationship Remedying a gap in earlier theorizing in the field many of the texts illustrate how race and gender are intertwined with technology Finally the book offers a set of readings that focus on the sociotechnical challenges we face today treating topics that include cybersecurity geoengineering and the myth of neutral technology **International Research in Engineering Sciences III** Prof. Dr. Mehmet Kamanlı, 2023-01-28 International Research in Engineering Sciences III

Whispering the Secrets of Language: An Psychological Journey through **Engineering Science Npaper 2014**

In a digitally-driven world where displays reign supreme and quick connection drowns out the subtleties of language, the profound secrets and emotional nuances hidden within phrases usually move unheard. However, set within the pages of **Engineering Science Npaper 2014** a captivating literary prize pulsing with organic thoughts, lies a fantastic quest waiting to be undertaken. Penned by an experienced wordsmith, this marvelous opus attracts visitors on an introspective trip, lightly unraveling the veiled truths and profound influence resonating within the very fabric of each and every word. Within the psychological depths of this moving review, we shall embark upon a genuine exploration of the book is key subjects, dissect their fascinating writing fashion, and succumb to the effective resonance it evokes serious within the recesses of readers hearts.

Engineering Science Npaper 2014 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Engineering Science Npaper 2014 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the

information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Engineering Science Npaper 2014 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Engineering Science Npaper 2014 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Engineering Science Npaper 2014 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Engineering Science Npaper 2014 is one of the best book in our library for free trial. We provide copy of Engineering Science Npaper 2014 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Engineering Science Npaper 2014. Where to download Engineering Science Npaper 2014 online for free? Are you looking for Engineering Science Npaper 2014 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search

around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Engineering Science Npaper 2014. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Engineering Science Npaper 2014 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Engineering Science Npaper 2014. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Engineering Science Npaper 2014 To get started finding Engineering Science Npaper 2014, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Engineering Science Npaper 2014 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Engineering Science Npaper 2014. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Engineering Science Npaper 2014, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Engineering Science Npaper 2014 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Engineering Science Npaper 2014 is universally compatible with any devices to read.
