Eugene Pickering With Biographical Introduction:

Eugene Pickering. The diary of a man of fifty. Benvolio Henry James, 1879 **Mary Hays's 'Female Biography'** Mary Sponberg, Gina Luria Walker, 2020-06-04 The essays included in Mary Hays's *Female Biography* Collective Biography as Enlightenment Feminism emerge from the authors' collaboration in producing the first modern edition of Hays's work in the Chawton House Library Edition 2013/2014. This book explores Hays's larger ambitions to lay the foundation for an encyclopaedic work by for and about women. The scholars' contributions to this volume engage with some of the multiple problems and possibilities that *Female Biography* presented. Drawing on this effort, individual scholars examine Hays's attempts to correct existing masculinist constructs which framed the universe of knowledge then and persist in our time. Hays perceived that these had the cumulative effect of rendering women invisible. She responded to such absence by providing examples of the extent of female worth across Western society. Other contributions focus specifically on the subjects of Hays's entries, looking at how she used source material and laid the groundwork for future biographical studies of women's lives. Both *Female Biography* and Hays herself have continually presented difficulties in categorization, not quite Enlightenment, not quite Victorian, either. This book recontextualizes her work, demonstrating the radicalism and originality of her feminism even in its post-Wollstonecraftian phase, as well as the longevity of her influence. As such, it will be of interest to those conducting research into Hays, her subjects, and the evolution of life writing by women. This book was originally published as a special issue of *Women's Writing*. **Eugene Pickering (1874)** Henry James, 2016-04-03 This early work by Henry James was originally published in 1874 and we are now republishing it with a brand new introductory biography. Henry James was born in New York City in 1843. One of thirteen children, James had an unorthodox early education, switching between schools, private tutors, and private reading. James published his first story, *A Tragedy of Error*, in the *Continental Monthly* in 1864 when he was twenty years old. In 1876 he emigrated to London, where he remained for the vast majority of the rest of his life, becoming a British citizen in 1915. From this point on, he was a hugely prolific author, eventually producing twenty novels and more than a hundred short stories and novellas, as well as literary criticism, plays, and travelogues. Amongst James's most famous works are *The Europeans* (1878), *Daisy Miller* (1878), *Washington Square* (1880), *The Bostonians* (1886), and one of the most famous ghost stories of all time, *The Turn of the Screw* (1898). We are republishing these classic works in affordable, high-quality modern editions using the original text and artwork. **The Life of Henry James** Peter Collister, 2023-04-03 Discover anew the life and influence of Henry James, part of the acclaimed Wiley Blackwell Critical Biographies series. In *The Life of Henry James: A Critical Biography*, Peter Collister, an established critic and authority on Henry James, offers an original and fully documented account of one of America's finest writers, who was both a creative practitioner and theorist of the novel. In this volume, James's life in all its personal and cultural richness is examined alongside a detailed scrutiny of his fiction, essays, biographies, autobiographies, travel writing, plays, and reviews. James was a dedicated
