[Homework Helpers: Basic Math and Pre-Algebra](#) Denise Szecsei, 2025-09-12 Homework

Helpers Basic Math and Pre Algebra will help build a solid mathematical foundation and enable students to gain the confidence they need to continue their education in mathematics. Particular attention is placed on topics that students traditionally struggle with the most. The topics are explained in everyday language before the examples are worked. The problems are solved clearly and systematically with step by step instructions provided. Problem solving skills and good habits such as checking your answers after every problem are emphasized along with practice problems throughout and the answers to all of the practice problems are provided. Homework Helpers Basic Math and Pre Algebra is a straightforward and easy to read review of arithmetic skills. It includes topics that are intended to help prepare students to successfully learn algebra including Working with fractions Understanding the decimal system Calculating percentages Solving linear equalities Graphing functions Understanding word problems *Factoring* Tony G. Williams, 2011-09-01 This packet follows the traditional algebra curriculum while challenging students minds with fun puzzles that develop logic reasoning skills concentration and confidence. Each Sudoku puzzle is like a mini lesson with background discussion strategy and demonstration for solving each problem. After completing the algebra exercises students are given enough data that will allow them to reason their way through the remaining cells of the Sudoku puzzle that follows. Each activity is presented on a ready to use reproducible master that can be easily photocopied or reproduced as a transparency for full class instruction and discussion. Algebraic Sudoku is a must have resource for all students enrolled in or preparing to take algebra or for anyone who wants to keep their algebraic skills sharp.
