

FRANK AIKEN'S WAR THE IRISH REVOLUTION 1916-1923

BY MATTHEW LEWIS

Frank Aiken S War The Irish Revolution 1916 23

Diarmaid Ferriter

Frank Aiken S War The Irish Revolution 1916 23:

Frank Aiken's War Matthew Lewis, 2014 From an adolescent farmer to a local Sinn Féin activist and provincial guerrilla leader and eventually to chief of staff of the IRA Frank Aiken has an early hidden history As with so many of his political generation Aiken's path to politics began amid the violent upheaval of the Irish revolution In a career spanning 50 years he served in numerous high profile ministerial roles and earned widespread recognition for his work as Ireland's representative to the United Nations Yet these later successes masked a controversial past This comprehensive study provides the first in depth look at Aiken's role in Ireland's turbulent revolutionary period 1916-23 Drawing on a wide variety of original archival sources this book blends elements of biography and local study to offer both the first exhaustive account of Aiken's role in the conflict and the first in depth study of the broader context of republican politics and violence in Ulster in which he played such a pivotal role This book creates a detailed map of Aiken's formative years exploring the early movements of the man which would place him at the forefront of Irish and international Free State politics

The Dead of the Irish Revolution Eunan O'Hallpin, Daithí Ó Corrain, 2020-10-27 The first comprehensive account to record and analyze all deaths arising from the Irish revolution between 1916 and 1921 This account covers the turbulent period from the 1916 Rising to the Anglo-Irish Treaty of December 1921 a period which saw the achievement of independence for most of nationalist Ireland and the establishment of Northern Ireland as a self governing province of the United Kingdom Separatists fought for independence against government forces and in North East Ulster armed loyalists Civilians suffered violence from all combatants sometimes as collateral damage often as targets Eunan O'Hallpin and Daithí Corrigan catalogue and analyze the deaths of all men women and children who died during the revolutionary years 505 in 1916 2 344 between 1917 and 1921 This study provides a unique and comprehensive picture of everyone who died in what manner by whose hands and why Through their stories we obtain original insight into the Irish revolution itself

County Louth and the Irish Revolution Donal Hall, Maguire Martin, 2017-04-10 County Louth and the Irish Revolution 1912-1923 explores the local activism of the IRA and how revolution was experienced by rural and urban labourers RIC men republican women cultural activists and Big House families Events were increasingly shaped for all these groups by the developing reality of partition transforming a marginal county into a borderland and creating a zone of new violence and banditry The expert contributors to the first ever local history of the county during this period bring to light a wealth of fascinating stories that will appeal to the general public and historians alike Critically these stories reveal new findings about the early military skirmishes in County Louth by republican figures such as Seán MacEntee and Frank Aiken the controversial sectarian massacre at Altnaveigh and how the Civil War made a fiery battlefield of Dundalk and Drogheda County Louth and the Irish Revolution 1912-1923 documents the complexity of the local experience as the national revolution merged with long established antagonisms and traditions the effects of which have shaped the county ever since

The Irish Republican Brotherhood, 1914-1924 John O'Beirne

Ranelagh, 2024-06-20 This captivating book delves into the secretive world of the Irish Republican Brotherhood IRB and its profound impact on Ireland's political landscape between 1914 and 1924. With the aid of new documentation, Ranelagh unravels the true influence of the oath-bound society without which the 1916 Rising might never have taken shape. For Michael Collins, the IRB was the true custodian of the Irish Republic and the only body he pledged his loyalty to, but its legacy remains obscured by its intense secrecy. This book reintroduces the IRB as the organisation that created and furnished the IRA, influenced the result of the critical 1918 election and changed the face of Irish history. From Éamon de Valera's recollections of how he first learned of the Treaty to narratives from Nora Connolly O'Brien, Emmett Dalton et al, testimonies from key figures paint a vivid picture of the IRB's inner workings and external influence. A fascinating exploration of secret societies, political manoeuvres and personal sacrifices. *The Irish Republican Brotherhood 1914-1924* casts new light on a pivotal chapter in Ireland's quest for independence. *The Irish Revolution, 1916-1923* Marie Coleman, 2013-11-20 This concise study of Ireland's revolutionary years charts the demise of the home rule movement and the rise of militant nationalism that led eventually to the partition of Ireland and independence for southern Ireland. The book provides a clear chronology of events but also adopts a thematic approach to ensure that the role of women and labour are examined in addition to the principal political and military developments during the period. Incorporating the most recent literature on the period, it provides a good introduction to some of the most controversial debates on the subject, including the extent of sectarianism, the nature of violence and the motivation of guerrilla fighters. The supplementary documents have been chosen carefully to provide a wide-ranging perspective of political views, including those of constitutional nationalists, republicans, unionists, the British government and the labour movement. *The Irish Revolution 1916-1923* is ideal for students and interested readers at all levels, providing a diverse range of primary sources and the tools to unlock them. [Political Conflict in East Ulster, 1920-22](#) Christopher Magill, 2020 Reassesses the context in which the state of Northern Ireland was created. **De Valera Volume 1** David McCullagh, 2017-10-20 Éamon de Valera was the single most consequential Irish figure of the twentieth century. He was a leader in the Easter Rising, the figurehead of the anti-Treaty rebels during the dark days of the Civil War and later as the founder of Fianna Fáil and president of Ireland, the pivotal figure in the birth of the Republic. In this, the first volume of a magisterial new biography, acclaimed historian and broadcaster David McCullagh charts De Valera's vertiginous rise from humble beginnings to electoral victory with Fianna Fáil in 1932. Riveting, nuanced, provocative and humorous, it draws on a wealth of new and neglected sources to present a truly ground-breaking portrait of de Valera: the man, his times and his complex, ever-shifting legacy. David McCullagh combines the investigative skills of an experienced journalist with the detachment of an accomplished historian. In this vividly readable and at times gripping biography, he tackles head-on all of the perennial de Valera controversies, including his parentage, his role in the 1916 Rising, his relationship with Michael Collins, his responsibility for the Civil War and his subsequent rise to power, and does so with

acuity and objectivity McCullagh's range and command of the source material is masterly a comprehensive mature biography both enlightening and entertaining MAURICE MANNING

The Disappeared Pádraig Óg Ó Ruairc, 2024-02-01 The spectre of The Disappeared those abducted by the IRA secretly executed and their bodies buried in bogs lakes and woodlands has overshadowed the debate around the legacy of the Troubles in Northern Ireland for the last two decades This book the first of its kind uncovers the extent to which forced disappearances were part of the violent political conflicts that blighted Ireland for 200 years Succeeding where attempts by the PSNI journalists and other historians had failed Ruairc's research led to the identification and recovery of a British soldier killed by the IRA He reveals in this book the location of several other bodies that remain to be exhumed The Disappeared cuts through the exaggeration and myth that pervade the popular history of the Irish struggle for freedom The author examines the role of leading Irish politicians in these killings and challenges the commonly held belief that the Provisional IRA disappeared more victims than the Good Old IRA of the War of Independence Behind each disappearance there is a face a life story and a family left searching for answers Ruairc deftly incorporates this human element paying tribute to those who were disappeared on both sides of the conflict

Between Two Hells Diarmaid Ferriter, 2021-09-02 THE IRISH BESTSELLER Ferriter has richly earned his reputation as one of Ireland's leading historians Irish Independent Absorbing A fascinating exploration of the Civil War and its impact on Ireland and Irish politics Irish Times In June 1922 just seven months after Sinn Féin negotiators signed a compromise treaty with representatives of the British government to create the Irish Free State Ireland collapsed into civil war While the body count suggests it was far less devastating than other European civil wars it had a harrowing impact on the country and cast a long shadow socially economically and politically which included both public rows and recriminations and deep often private traumas Drawing on many previously unpublished sources and newly released archival material one of Ireland's most renowned historians lays bare the course and impact of the war and how this tragedy shaped modern Ireland

Guerrilla Warfare in the Irish War of Independence, 1919-1921 Joseph McKenna, 2014-01-10 Tracing the development of the Irish Republican Army following Ireland's Declaration of Independence this book focuses on the recruitment training and arming of Ireland's military volunteers and the Army's subsequent guerrilla campaign against British rule Beginning with a brief account of the failed Easter Rising it continues through the resulting military and political reorganizations the campaign's various battles and the eventual truce agreements and signing of the Anglo Irish Treaty Other topics include the significance of Irish intelligence and British counter intelligence efforts urban warfare and the fight for Dublin and the role of female soldiers suffragists and other women in waging the IRA's campaign

Destiny of the Soldiers - Fianna Fáil, Irish Republicanism and the IRA, 1926-1973 Donnacha Ó Beacháin, 2011-06-21 Incisive engaging and thought provoking Destiny of the Soldiers charts Fianna Fáil's political and ideological evolution from its revolutionary origins through extended periods in office Fianna Fáil is Ireland's largest political party and one of the most successful parties in any democracy in the world Until recent years it has

been almost constantly in government since 1932 This fascinating volume argues that Fianna Fáil's goals foremost among them the reunification of the national territory as a republic became the means to bind its members together to gain votes and to legitimise its role in Irish society But the official ideological goals concealed what became merely a basic desire to rule The balance sheet consequently became one of votes won or lost rather than goals achieved or postponed Destiny of the Soldiers assesses Fianna Fáil's changing attitudes towards its parent party Sinn Féin and the IRA and how these changes affected Fianna Fáil's policies towards Northern Ireland Never forgetting its republican roots Fianna Fáil has at times been both troubled and conflicted by them This was especially the case in the late 1960s and early 1970s when the Northern Ireland Troubles posed a challenge for all rhetorical republicans At that time Fianna Fáil found itself the governing party of a state whose legitimacy it had originally rejected the consequent tensions nearly tore it apart Destiny of the Soldiers is the first survey of the party's history which focuses on these unresolved tensions Destiny of the Soldiers Table of Contents Legion of the Rearguard The revolutionary origins of Fianna Fáil 1920-23 Removing the straitjacket of the Republic 1923-6 Fianna Fáil the Republican Party Fianna Fáil and the Irish Free State 1927-31 Election Time 1931-2 Fianna Fáil in power 1932-8 Revolutionary crocodile 1939-40 The showdown 1940-46 A new republican rival 1946-8 Drift 1948-59 Approach to crisis 1960-69 The moment of truth 1969-71 Doomsday 1971-3 Conclusions The destiny of the Soldiers General Eoin O'Duffy Jack Traynor, 2024-01-04 Most of the prominent figures from Ireland's revolutionary generation have been endlessly profiled and commemorated but the controversial General Eoin O'Duffy remains a pariah Despite reaching the heights of leadership in the republican movement during the Irish revolutionary period and subsequently becoming a key state builder in early independent Ireland as head of the national police force O'Duffy's legacy retains a whiff of sulphur It has been tarnished by his controversial political career in the 1930s including his leadership of the fascistic Blueshirts and his pro-Franco involvement in the Spanish Civil War Using a blend of well-charted and previously overlooked or unavailable material this book examines the tumultuous periods of Ireland's struggle for independence and the early Irish Free State It foregrounds O'Duffy's place within pro-treaty Irish nationalism A militarist and supporter of Michael Collins he became a safe pair of hands relied upon to rescue the pro-treaty regime during crises The book offers new interpretations on his involvement with international fascism and provides a much-needed nuance on the prevalence of crypto-fascist outlooks in the 1930s It seeks to blow away the cobwebs of mythology and recalibrate our understanding of this most controversial Irishman **Ireland and Partition** N. C. Fleming, James H. Murphy, 2021-09-15 Ireland and Partition Contexts and Consequences brings together multiple perspectives on this key and timely theme in Irish history from the international dimension to its impact on social and economic questions alongside fresh perspectives on the changing political positions adopted by Irish nationalists Ulster Unionists and British Conservatives It examines the gestation of partition through to its implementation in 1921 as well as the many consequences that followed The chapters written by experts based in Ireland Northern Ireland Great Britain and

the United States include new scholars alongside contributions from authorities in their fields Together they consider partition from a variety of often overlooked angles from its local impact on the ground through to its place in the post 1918 international order and diplomatic relations its implications for political violence and security policy and its consequences for sport and economics through to its capacity to divide both nationalism and unionism from within This book places the current questions about the future of partition resulting from Brexit and the centenary of partition 2021 in a fuller perspective It is relevant to those with an interest in Irish History and Irish Studies as well as British History European History and Peace Studies *Defying the IRA?* Brian Hughes, 2016-10-18 This book explores the community experience of the Irish Revolution

The Irish Revolution and Its Aftermath, 1916-1923 Francis J. Costello, 2003 The Irish Revolution at the beginning of the twentieth century spawned the creation of the modern Irish state This is the first full length analysis to offer a comprehensive framework of that revolution in its totality taking into account the broad range of social economic and political developments as well as the IRA s campaign of guerrilla warfare and the British response to it Drawing on such previously unpublished sources as the Irish Department of Defense s Military History Bureau the author paints a broad picture of the people and the key events in the Irish struggle for independence The book also breaks new ground in presenting much of the behind the scenes debate within the British Government in the prosecution of its policies in response to the revolt in Ireland British official frustration provoked by the acceptance of D il Eireann by the majority of the Irish people and the independent institutions it sought to set in place is also explicitly chronicled New light is shed on the Anglo Irish Treaty negotiations as well as on the divisions within Irish nationalism before and indeed afterwards which culminated in the Irish Civil War The role of external forces including public opinion in the United States and British competing obligations at home and abroad are also covered Considerable attention is given to the development of democratic government in the fledgling Irish Free State in the midst of domestic upheaval and to the broader effort at nation building which followed after the Civil War

Frank Aiken Bryce Evans, Stephen Kelly, 2014-04-14 Revolutionary statesman polymath Frank Aiken cuts a colossal figure in twentieth century Irish history However he remains a controversial figure regarded as a war criminal by some and a principled proponent of National liberation by others In this engaging biographical collection contributors scrutinise Aiken s thoughts and actions at several critical junctures in modern Irish and world history taking readers through the War of Independence Civil War the birth of the new state the Second World War the Cold War and the modern Northern Ireland Troubles Divided into two sections Nationalist and Internationalist and based on an unrivalled breadth of testimony from academics family members rivals and colleagues this study ultimately details the footprints Aiken left on the national and international political stage Aiken owed his early eminence to military rather than political leadership he was commandant of the 4th Northern Division of the IRA during the War of Independence and was driven to undertake the most daring and spectacular feats of the Irish Civil War He went on to become the Chief of Staff of the Anti Treaty IRA but was expelled for

backing de Valera's plan for a Republican government the beginnings of Fianna Fáil. Thereafter his instrumental role was to be political a Minister for Defence Finance and External Affairs over the course of the following decades he was to oversee much success and controversy in the burgeoning state. This biography represents the first deserving assessment of a monumental personality in 20th century Irish History. Spiritual Wounds Síobhra Aiken, 2022-03-01. This book challenges the widespread scholarly and popular belief that the Irish Civil War 1922-1923 was followed by a traumatic silence. It achieves this by opening an alternative archive of published testimonies which were largely produced in the 1920s and 1930s. Testimonies were written by pro and anti-treaty men and women in both English and Irish. Nearly all have eluded sustained scholarly attention to date. However the act of smuggling private painful experience into the public realm especially when it challenged official memory making or even forgetting demanded the cautious deployment of self-protective narrative strategies. As a result many testimonies from the Irish Civil War emerge in non-conventional hybridised and fictionalised forms of life writing. This book re-introduces a number of these testimonies into public debate. It considers contemporary understandings of mental illness and how a number of veterans both men and women self-consciously engaged in projects of therapeutic writing as a means to heal the spiritual wounds of civil war. It also outlines the prevalence of literary representations of revolutionary sexual violence challenging the assumptions that sexual violence during the Irish revolution was either rare or hidden. *A Nation and not a Rabble* Diarmaid Ferriter, 2015-03-05. Packed with violence political drama and social and cultural upheaval the years 1913-1923 saw the emergence in Ireland of the Ulster Volunteer Force to resist Irish home rule and in response the Irish Volunteers who would later evolve into the IRA. World War One the rise of Sinn Féin in intense Ulster unionism and conflict with Britain culminated in the Irish war of Independence which ended with a compromise Treaty with Britain and then the enmities and drama of the Irish Civil War. Drawing on an abundance of newly released archival material witness statements and testimony from the ordinary Irish people who lived and fought through extraordinary times *A Nation and not a Rabble* explores these revolutions. Diarmaid Ferriter highlights the gulf between rhetoric and reality in politics and violence the role of women the battle for material survival the impact of key Irish unionist and republican leaders as well as conflicts over health land religion law and order and welfare. **A Guide to Irish Military Heritage** Brian Hanley, 2004. This guide is designed to help those conducting research in all aspects of Irish military history. Commissioned by the Military Heritage of Ireland Trust which was established in 2000 to foster knowledge of this heritage it lists the institutions archives public bodies and organizations that specifically hold relevant information on military heritage relating from the earliest times to the present day. Also included is a listing of fortifications battle sites and places in Ireland relevant to military events in its broadest sense. Where possible email website and telephone details are also included as are museum and archival depositories opening times. The guide is completed with an extensive bibliography listing books and articles that have been published on military history particularly those in the last twenty years. **Ireland Since 1939**

Henry Patterson, 2007-08-02 Synthesizing a vast body of scholarly work Henry Patterson offers a compelling narrative of contemporary Ireland as a place poised between the divisiveness of deep seated conflict and the modernizing but perhaps no less divisive pull of ever greater material prosperity Although the two states of Ireland have strikingly divergent histories Patterson shows more clearly than any previous historian how interdependent those histories and the mirroring ideologies that have fuelled them have been With its fresh and unpredictable readings of key events and developments on the island since the outbreak of the second world war Ireland Since 1939 is an authoritative and gripping account from one of the most distinguished Irish historians at work today

Frank Aiken S War The Irish Revolution 1916 23 Book Review: Unveiling the Magic of Language

Frank Aiken S War The Irish Revolution 1916 23 Introduction

In today's digital age, the availability of Frank Aiken S War The Irish Revolution 1916 23 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Frank Aiken S War The Irish Revolution 1916 23 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Frank Aiken S War The Irish Revolution 1916 23 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Frank Aiken S War The Irish Revolution 1916 23 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Frank Aiken S War The Irish Revolution 1916 23 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Frank Aiken S War The Irish Revolution 1916 23 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Frank Aiken S War The Irish Revolution 1916 23 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Frank Aiken S War The Irish Revolution 1916 23 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Frank Aiken S War The Irish Revolution 1916 23 books and manuals for download and embark on your journey of knowledge?

FAQs About Frank Aiken S War The Irish Revolution 1916 23 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Frank Aiken S War The Irish Revolution 1916 23 is one of the best book in our library for free trial. We provide copy of Frank Aiken S War The Irish Revolution 1916 23 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Frank Aiken S War The Irish Revolution 1916 23. Where to download Frank Aiken S War The Irish Revolution 1916 23 online for free? Are you looking for Frank Aiken S War The Irish Revolution 1916 23 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are

numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Frank Aiken S War The Irish Revolution 1916 23. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Frank Aiken S War The Irish Revolution 1916 23 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Frank Aiken S War The Irish Revolution 1916 23. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Frank Aiken S War The Irish Revolution 1916 23 To get started finding Frank Aiken S War The Irish Revolution 1916 23, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Frank Aiken S War The Irish Revolution 1916 23 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Frank Aiken S War The Irish Revolution 1916 23. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Frank Aiken S War The Irish Revolution 1916 23, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Frank Aiken S War The Irish Revolution 1916 23 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Frank Aiken S War The Irish Revolution 1916 23 is universally compatible with any devices to read.
