Frankenstein Prologue Study Guide Answers:

God the Son Randy Rheame, 2018-08-10 John's portrait of Jesus is breathtaking yet bewildering. In the first verse he's called God. At the climax of the book he's worshiped as Lord and God. 20/28 On the other hand he says he can't do a thing without the okay of his Father. 5/19/30 How are we to understand this profound yet puzzling figure? Uniquely equipped as both a New Testament scholar and engaging pastoral communicator, Randy Rheame shows how the contrasts in John's portrait of Jesus—especially his deity and his sonship—fit together and are meaningful and helpful for the Christian life. Is Jesus really God? If so, what difference does it make? How can he be God and yet in submission to God? Why didn't he ever say "I am God. Worship me." How does the Son's role differ from the Father's? If God is more than one person, how do prayer and worship work? How can I know God better? What will make eternity with God so fun that we'll never get bored? Is the Trinity truly biblical? And where does the Holy Spirit come into the picture? Rheame's exploration probes John's Gospel and provides profound insight into these and related questions.

The Burning World Isaac Marion, 2017-02-07 Library Journal's Must Have Spring Books. Editors' Picks 2017. A thrilling coast-to-coast journey. The Seattle Times: A richly imagined philosophical exploration. Bellingham Herald: Exciting action, intriguing characters, epic scale. Booklist: starred review. Poignant and poetic brings zombie lit back from the dead. The Stranger: The New York Times bestseller. Warm Bodies captured hearts worldwide in twenty-five languages, inspiring a major film and a cult fandom. Now R, the reluctant zombie, continues his journey in this much anticipated sequel. Being alive is hard. Being human is harder. But since his recent recovery from death, R is making progress. He's learning how to read, how to speak, maybe even how to love, and the city's undead population is showing signs of life. R can almost imagine a future with Julie, this girl who restarted his heart, building a new world from the ashes of the old one. And then helicopters appear on the horizon. Someone is coming to restore order. To silence all this noise. To return things to the way they were: the good old days of stability and control, and the strong eating the weak. The plague is ancient and ambitious, and the Dead were never its only weapon. How do you fight an enemy that's in everyone? Can the world ever really change? With their home overrun by madmen, R, Julie, and their ragged group of refugees plunge into the otherworldly wastelands of America in search of answers. But there are some answers R doesn't want to find. A past life, an old shadow crawling up from the basement.
