Bernstein,2013-05-25 The world's teenagers have never been so challenged as they are today. The constant demands of parents, school work, peers, social media, athletics, music, has created a generation who while tremendously capable are also tremendously stressed. Today's teens are expected to not only do it all but to do it now. Having personally coached thousands of students over his years as an educator and a professional performance coach, Dr. Bernstein understands and connects with today's young adults. He knows they are intelligent, talented, and full of creative energy, and he uses his decades of experience in *A Teen's Guide to Success* to help teens succeed. *A Teen's Guide to Success* shares principles and skills that help teens discover their higher potential and learn how to be calm, confident, and focused in whatever situation they find themselves. Teens will learn the same techniques that all top athletes, musicians, business leaders, and other successful people practice. As teens implement the tools taught in *A Teen's Guide to Success*, they will find a roadmap to achieve their potential and be successful in all aspects of their lives.

The Girls' Guide to the SAT Alexandra Freer, Princeton Review (Firm),2003 It's scary enough that the SAT can make or break one's college admission chances, but the fact that girls consistently score lower than boys makes it an even bigger hurdle. *The Girls' Guide to the SAT* helps young women understand and overcome the gender gap with specially focused tips and techniques for scoring higher.

Practical Guide to College Admission Willard Dolman,2001-07-06 Much material is available on the internet and in print regarding college research, admission, and matriculation. *The PRACTICAL GUIDE TO COLLEGE ADMISSION* however is the sole tool that brings all of the pieces together and arranges them in a step-by-step process to allow the needs of the students to be equated effectively with the characteristics of over 3000 colleges and universities. This method of research allows the candidate to restrict applications to four or five schools that are the best matches. These realistic applications will result in multiple acceptances. From these, the candidate can choose to matriculate at his/her best match. This method was developed and used by the author in one of the best school districts in the United States.
