Stimulating Emerging Story Writing! Simon Brownhill, 2015-10-16 Stimulating Emerging Story Writing Inspiring Children aged 3-7 offers innovative and exciting ways to inspire young children to want to create stories and develop their emerging story writing skills. This practical guide offers comprehensive and informed support for professionals to effectively engage child authors in stimulating story writing activities. Packed full of story ideas, resource suggestions and practical activities, the book explores the various ways professionals can help young children to develop the six key elements of story, these being character, setting, plot, conflict, resolution and ending. All of the ideas in the book are designed to support a setting's daily writing provision, such as mark-making opportunities, role play and using simple open-ended play resources. Separated into two sections and with reference to the EYFS and Key Stage 1 curricula, this timely new text provides practitioners with tried and tested strategies and ideas that can be used with immediate effect. Chapters include: Creating Characters, The Plot Thickens, Inspired Ideas, Resourcing the Story, Stimulation. This timely new text is the perfect guide for inspiring young children aged 3-7 in the classroom and will be an essential resource for practitioners, teachers and students on both early years and teacher training courses.

Teacher's Guide to Effective Sentence Writing Bruce Saddler, 2012-10-01 This practical book provides explicit instructions for teaching sentence-level skills to students who have difficulties in this area. The author explains the key role of sentence combining in the writing process and presents effective techniques for instruction and assessment. Numerous sample lessons, practice activities, planning tips and grammatical pointers make it easy for teachers to incorporate sentence combining and construction into the writing curriculum at all grade levels, 2-12. Accessible and engaging, the book helps teachers and students experiment with different ways to arrange thoughts and produce meaningful written work.

Children's Books in Print, 2007, 2006 *The Teaching Online Handbook* Courtney Ostaff, 2020-11-30 Classroom teachers are increasingly expected to teach online, creating content area courses from scratch with little support or training. But high-quality, researched-based online teaching has its own particular set of skills and expectations, and most resources are directed at college-level instructors. This no-nonsense handbook is for that busy classroom teacher with clear techniques for planning instruction and assessment as well as sections on teaching students with diverse needs and exceptionalities. Based on the author's real-life experiences as an online teacher, there are multiple examples including sample assignments across content areas, rubrics for grading and sample scripts for parent contact as well as tips to reduce instructor workload and conduct successful live instruction.

Creating and Promoting Lifelong Learning in Public Libraries Donna L. Gilton, 2016-06-21 *Creating and Promoting Lifelong Learning in Public Libraries: Tools and Tips For Practitioners* is the sequel to *Lifelong Learning in Public Libraries: Principles, Programs and People*. On the one hand, *Lifelong Learning in Public Libraries* focuses on the information needs and the developmental and psychological characteristics of diverse library users of all ages. It endorses the use of ILI to promote lifelong learning in public libraries.

both by borrowing techniques from academic and school libraries and by building on existing public library traditions of programming and outreach This book also compares lifelong learning in public libraries to informal and nonformal education in museums community organizations and agencies places of worship and other organizations In addition Lifelong Learning in Public Libraries describes basic steps that librarians can execute in order to get started On the other hand Creating and Promoting Lifelong Learning in Public Libraries focuses much more on how public librarians can specifically plan and implement their instruction with chapters on planning for instruction using teaching methodologies teaching with and about technology and bringing ILI together with more traditional public library services programming and activities such as reference and Readers Advisory services bibliotherapy and cultural and literacy programming Changes in ILI standards and comparisons of ILI with basic reading media digital and cultural literacies are also described Both books together should act as basic manuals for public librarians who promote lifelong learning Creating and Promoting Lifelong Learning in Public Libraries also have helpful teaching hints for all librarians and other professionals who teach in a variety of settings
