Jones-Wilson, Margo Okazawa-Rey, 1996-08-28 This indispensable reference is a comprehensive guide to significant issues policies historical events laws theories and persons related to the education of African Americans in the United States Through several hundred alphabetically arranged entries the volume chronicles the history of African American education from the systematic long term denial of schooling to blacks before the Civil War to the establishment of the Freedmen s Bureau and the era of Reconstruction to Brown v Board of Education and the civil rights reforms of the last few decades Entries are written by expert contributors and contain valuable bibliographies while a selected bibliography of general sources concludes the volume The African American population is unique in that its educational history includes as law and public policy the systematic long term denial of the acquisition of knowledge In the 18th century African Americans were initially legally forbidden to be taught academic subjects in the South where most African Americans lived This period which ended around 1865 with the conclusion of the Civil War and the establishment of the Freedmen s Bureau was followed by the introduction of laws policies and practices providing for rudimentary education for 69 years under the dual school separate but equal policies established by Plessy v Ferguson 1896 These policies did not end until the Brown v Board of Education decisions of 1954 and 1955 were reinforced by the passage of civil rights and equal opportunity legislation in the mid 1960s

The education of African Americans has been a continuing moral political legal economic and psychological issue throughout this country's history. It continues to consume time and attention and it remains an unresolved dilemma for the nation. Through several hundred alphabetically arranged entries, this indispensable reference offers a comprehensive overview of significant issues, policies, historical events, laws, persons, and theories related to African American education from the early years of this country to the present day. The entries are written by expert contributors and each entry includes a bibliography of works for further reading. A selected general bibliography concludes the volume.
