,1987-06-26 **Helix: Episode 7 (Purity)** Nathan M. Farrugia,2020-06-01 Jay's final mission might be his last. Unarmed and undercover, he must step inside the heart of Purity's headquarters. All he has to do is plant a computer virus and get out. But getting out is only half the problem. What readers are saying: I'm completely blown away by this series, one of the most amazing action stories I've read. Helix is everything I love about action and adventure novels: spies, gadgets, fights, escapes, characters you care about, and a carefully crafted story. A captivating action-packed and suspenseful technothriller. Ambitiously, amazingly addictive. As soon as I finished this, I purchased the next episode. Nathan Farrugia is back, holding his readers hostage for yet another amazing and wild ride. The characters are really brought to life on the page, and in the heart. Absolutely brilliant. I've always compared Farrugia to Matthew Reilly, and with Helix, I think he has finally surpassed Reilly. Helix is a fast-paced edge-of-your-seat action-packed series guaranteed to please the most adrenaline-craving readers. Farrugia's writing is excellent; you fly through the books. I am totally emotionally invested in all the characters. A must-read for all thriller fans and sci-fi fans looking for a break from outer space. The author's signature cutting-edge technology, complex plotting, cool gadgets, three-dimensional characters, and Hollywood blockbuster-style action sequences are explosively combined in this new series. This high-octane thriller by Aussie author Nathan Farrugia starts with a bang and ends the same way. About the author: Nathan M. Beyond his army training, Nathan has trained under USMC SEAL team Spetsnaz and Defence Intelligence instructors, and he has honed the wilderness and tracking skills of the Chiricahua Apache scouts and Australian Aborigines. Nathan is currently in Malta, co-writing the sequel to the critically acclaimed video game Metro Exodus by 4A Games. Also by Nathan M.
