Greydanus, Dilip R. Patel**

Intellectual Disability Some Current Issues Disability Studies:

Intellectual Disability Joav Merrick, Donald E. Greydanus, Dilip R. Patel, 2014 Intellectual disability is characterised by deficits in cognitive and adaptive abilities that initially manifest before 18 years of age The prevalence of intellectual disability is estimated to be between 1 and 3 out of every 100 individuals in the general population Most individuals have mild intellectual disability and the cause is generally not identified A small percentage of individuals have severe deficits and will need lifetime supports The diagnosis of intellectual disability requires formal psychometric testing to assess the intelligence quotient and adaptive functioning The management of individuals who have intellectual disability is based on providing general medical care treatment of specific behavioral symptoms early intervention special education and variable degrees of community based supports In this book we present some current issues in intellectual and developmental disability

Intellectual Disability Joav Merrick, Donald E. Greydanus, Dilip R. Patel, 2014-01-01 Intellectual disability is characterized by deficits in cognitive and adaptive abilities that initially manifest before 18 years of age The prevalence of intellectual disability is estimated to be between 1 and 3 out of every 100 individuals in the general population *Research Anthology on Physical and Intellectual Disabilities in an Inclusive Society* Management Association, Information Resources, 2021-08-27 Discussions surrounding inclusivity have grown exponentially in recent years In today's world where diversity equity and inclusion are the hot topics in all aspects of society it is more important than ever to define what it means to be an inclusive society as well as challenges and potential growth Those with physical and intellectual disabilities including vision and hearing impairment Down syndrome locomotor disability and more continue to face challenges of accessibility in their daily lives especially when facing an increasingly digitalized society It is crucial that research is brought up to date on the latest assistive technologies educational practices work assistance and online support that can be provided to those classified with a disability The *Research Anthology on Physical and Intellectual Disabilities in an Inclusive Society* provides a comprehensive guide of a range of topics relating to myriad aspects difficulties and opportunities of becoming a more inclusive society toward those with physical or intellectual disabilities Covering everything from disabilities in education sports marriages and more it is essential for psychologists psychiatrists pediatricians psychiatric nurses clinicians special education teachers social workers hospital administrators mental health specialists managers academicians rehabilitation centers researchers and students who wish to learn more about what it means to be an inclusive society and best practices in order to get there

International Handbook of Applied Research in Intellectual Disabilities Eric Emerson, Chris Hatton, Travis Thompson, Trevor Parmenter, 2004-08-13 The landmark *International Handbook of Applied Research in Intellectual Disabilities* presents explains and illustrates key methods of research and evaluation of proven relevance and value to the field of intellectual disabilities It features sections on the concepts and theoretical models underlying research and evaluation the methods and techniques themselves and the key application areas where the methods are demonstrated in action

Coverage includes applications in educational social family health and employment aspects of care and provision for those with intellectual disabilities

Handbook of Disability Studies Gary L. Albrecht, Katherine D. Seelman, Michael Bury, 2001-05-24 This path breaking international handbook of disability studies signals the emergence of a vital new area of scholarship social policy and activism Drawing on the insights of disability scholars around the world and the creative advice of an international editorial board the book engages the reader in the critical issues and debates framing disability studies and places them in an historical and cultural context Five years in the making this one volume summarizes the ongoing discourse ranging across continents and traditional academic disciplines To provide insight and perspective the volume is divided into three sections The shaping of disability studies as a field experiencing disability and disability in context Each section written by world class figures consists of original chapters designed to map the field and explore the key conceptual theoretical methodological practice and policy issues that constitute the field Each chapter provides a critical review of an area positions and literature and an agenda for future research and practice The handbook answers the need expressed by the disability community for a thought provoking interdisciplinary international examination of the vibrant field of disability studies The book will be of interest to disabled people scholars policy makers and activists alike The book aims to define the existing field stimulate future debate encourage respectful discourse between different interest groups and move the field a step forward

Disability Research Today Tom Shakespeare, 2015-03-05 Grouped around four central themes illness and impairment disabling processes care and control and communication and representations this collection offers a fresh perspective on disability research showing how theory and data can be brought together in new and exciting ways Disability Research Today starts by showing how engaging with issues around illness and impairment is vital to a multidisciplinary understanding of disability as a social process The second section explores factors that affect disabled people such as homelessness violence and unemployment The third section turns to social care and how disabled people are prevented from living with independence and dignity Finally the last section examines how different imagery and technology impacts our understandings of disability and deafness Showcasing empirical work from a range of countries including Japan Norway Italy Australia India the UK Turkey Finland and Iceland this collection shows how disability studies can be simultaneously sophisticated accessible and policy relevant Disability Research Today is suitable for students and researchers in disability studies sociology social policy social work nursing and health studies

Routledge Handbook of Disability Studies Nick Watson, Alan Roulstone, Carol Thomas, 2019-10-21 This fully revised and expanded second edition of the Routledge Handbook of Disability Studies takes a multidisciplinary approach to disability and provides an authoritative and up to date overview of the main issues in the field around the world today Adopting an international perspective and arranged thematically it surveys the state of the discipline examining emerging and cutting edge areas as well as core areas of contention Divided in five parts this comprehensive handbook covers Different models and approaches to disability How key impairment groups

have engaged with disability studies and the writings within the discipline Policy and legislation responses to disability studies and to disability activism Disability studies and its interaction with other disciplines such as history philosophy sport and science and technology studies Disability studies and different life experiences examining how disability and disability studies intersects with ethnicity sexuality gender childhood and ageing Containing 15 revised chapters and 12 new chapters from an international selection of leading scholars this authoritative handbook is an invaluable reference for all academics researchers and more advanced students in disability studies and associated disciplines such as sociology health studies and social work Chapter 6 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
