Unsung Hollywood Musicals of the Golden Era Edwin M. Bradley, 2016-03-03 The most memorable Hollywood musicals of 1930s showcased the talents of stars like Fred Astaire Jeanette MacDonald Bing Crosby and Alice Faye The less memorable ones didn't This book takes a look at the unsung songfests of the 30s secondary or forgotten features with short lived or unlikely stars from major studios and Poverty Row Through analysis of films such as Lord Byron of Broadway 1930 Shoot the Works 1934 Bottoms Up 1934 Moonlight and Pretzels 1933 and The Music Goes Round 1936 the author profiles such performers as Dorothy Dell Lee Dixon Peggy Fears Lawrence Gray Joe Morrison and the mother daughter team of Myrt and Marge Behind the scenes figures are discussed like the infamously profligate producer Lou Brock whose flops Down to Their Last Yacht 1934 and Top of the Town 1937 cost him his career Filmographies and production information are included with background on key participants Ray Milland James McKay, 2020-02-21 With no formal training as an actor Welsh born Ray Milland 1907 1986 a former trooper in the British Army's Household Cavalry enjoyed a half century career working alongside some of the great directors and stars from the Golden Age of cinema He won the Academy Award for Best Actor for his performance as the alcoholic writer in The Lost Weekend 1945 a defining moment that enabled him to break free from romantic leads and explore darker shades of his debonair demeanor such as the veiled menace of his scheming husband in Hitchcock's Dial M For Murder 1954 A consummate professional with wide range Milland took the directorial reins in several of his starring vehicles in the 1950s most notably in the intelligent Western A Man Alone 1955 He comfortably slipped into most genres from romantic comedy to adventure to film noir Later he turned to science fiction and horror movies including two with cult filmmaker Roger Corman This first complete filmography covers the actor's screen career with a concise introductory biography and an appendix listing his extensive radio and television credits Elizabeth and Monty Charles Casillo, 2021-05-25 Violet eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time Over two decades of friendship they made separately and together some of the era's defining movies including Cat on a Hot Tin Roof The Misfits Suddenly Last Summer and Cleopatra Yet the relationship between these two figures one a dazzling larger than life star the other hugely talented yet fatally troubled has never truly been explored

until now Monty Elizabeth likes me but she loves you Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in *A Place in the Sun* he was already a movie idol with a natural sensitivity that set him apart At seventeen Elizabeth was known for her ravishing beauty rather than her talent Directors treated her like a glamorous prop But Monty took her seriously inspiring and encouraging her In her words That s when I began to act To Monty she was Bessie Mae a name he coined for her earthy private side The press clamored for a wedding convinced this was more than friendship The truth was even more complex Monty was drawn to women but sexually attracted to men a fact that if made public would destroy his career But he found acceptance and kinship with Elizabeth Her devotion was never clearer than after his devastating car crash near her Hollywood home when she crawled into the wreckage and saved him from choking Monty s accident shattered his face and left him in constant pain As he sank into alcoholism and addiction Elizabeth used her power to keep him working In turn through scandals and multiple marriages he was her constant Their relationship endured until his death in 1966 right before he was to star with her in *Reflections in a Golden Eye* His influence continued in her outspoken support for the gay community especially during the AIDS crisis Far more than the story of two icons this is a unique and extraordinary love story that shines new light on both stars revealing their triumphs demons and the loyalty that united them to the end Casillo weaves an engrossing story about the intertwined lives of his subjects the parallel worlds of privilege that they came from the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in The New York Times In a riveting new book that brings Hollywood s golden age to life with colorful well researched details and interviews with stars who knew Taylor and Clift Casillo explores the intense bond the two shared People Magazine
