The Role of the Three Persons Trinity in the Economy of Salvation Yusuf Shammah,2017-11-07 Seminar paper from the year 2017 in the subject Theology Biblical Theology grade 60 course Historical Theology language English abstract The doctrine of salvation to me is the most crucial doctrine in the history of the church and the most important matter in the life of Christianity Hence the understanding of the role of the Trinity is very crucial in knowing how salvation really applied to the life of a believer and the Christian faith For I perceived that the reason why several Christians make little value of their Christian life is due to lack of clear and proper understanding of the works of the Trinity in their Salvation experiences and probably because the transaction was not properly done These may be the same reason why most Christians are living a life of hypocrisy and void of power because they understood stricken the role of the Trinity in the Economy of their salvation Hence they don t appropriate the efficacy of the power of Trinity in their salvation bargain No wonder so many Christians resolved to other sources of power in times of crisis and difficulties I perceived that the reason why several Christians take little value to their Christian life is the lack of proper understanding of the works of the Trinity in their salvation experiences

and probably because the transaction was not properly done These may be the reason why most Christians are living a defeated and hypocritical life Because they understood stricken the role of the individual Persons of the Trinity in the economy of their salvation hence they don t appropriate the efficacy of the power of the Trinity in their salvation bargains No wonder they resolved to other sources of power in their times of crisis and difficulties The fact on the importance of the doctrine of salvation was elucidated by the Article Bible org as they said that Soteriology the doctrine of salvation must be the grandest theme in the Scriptures It embraces all of time as well as eternity past and future It relates in one way or another to all of mankind without exception It even has ramifications in the sphere of the angels It is the theme of both the Old and New Testaments It is personal national and cosmic But in all its beauty we don t seem to understand and appreciate the role the individual Persons of the Godhead play in our salvation economy
