Poetic Perspective on Mapping Metaphor, Symbol and Allegory ZHU Ruiqing, 2018-12-01 **Visual Metaphors and Aesthetics** Michalle Gal, 2022-05-19 This book offers a new definition of metaphor as an ontological and visual construction whose roots are external visual forms and its motivation is our attachment to forms This definition which Michalle Gal names visualist challenges the ruling conceptualist theory of metaphors and places a new emphasis on how we experience rather than understand metaphors In doing so she responds to the visual turn that is taking place in literature and the media demanding that the visual become a site of philosophical analysis This focus on the external visual world allows Gal to employ visual theories to capture the essence of metaphor She looks beyond conceptual or semantic mechanism and returns to theories of Arnheim and Gombrich and the current evolution of ideas about the visual or material and embodied cognition Proposing to see visual metaphors in their basic form she uses a new externalist terminology of ontology visuality composition affordance construction and emergence Setting out a new theory that takes into account that humans are visual no less than cognitive creatures *Visual Metaphors and Aesthetics* lays the foundation for a new vocabulary to talk about metaphors **Variations on Metaphor** Ilaria Rizzato, Francesca Strik Lievers, Elisabetta Zurru, 2021-08-13 Metaphor is a

introduction to the key concepts and theories in metaphor studies and metaphor translation research discerning the importance of localising theories from neighbouring disciplines such as metaphor studies for advancing interdisciplinary research in translation studies Sui He applies this approach to popular cosmological discourse analysing examples from articles in Scientific American and their Chinese translations allowing for a nuanced examination of translation strategies adopted by translators at both cognitive and linguistic levels which presents the circulation and transformation of popular cosmological knowledge from English in two Chinese mediated communities This book will be of interest to students and scholars in translation studies metaphor studies and discourse analysis *Plant Metaphors in the Old Greek of Isaiah*

Benjamin M. Austin, 2019-02-01 A thorough analysis of metaphor translation techniques used in Isaiah In this study Benjamin M Austin analyzes all the plant metaphors in Isaiah and classifies them according to the metaphor translation techniques used by the Septuagint translator Austin illustrates how the translator took the context of each metaphor into account and demonstrates how the natural features of the plants under discussion at times influenced their translation He argues that the translator tried to render metaphors vividly and with clarity sometimes adjusting them to match the experience of his audience living in Egypt Austin also examines metaphors in terms of their vehicles the objects of comparison so that the translation of similar metaphors can be compared Features A comparison of the Masoretic Text to the Septuagint and Targum A classification of metaphor translation strategies An introduction to the Hellenistic and the Jewish conception of metaphors **Metaphors in the Discussion on Suffering in Job 3-31** Hanneke van Loon, 2018-09-11 In *Metaphors in the Discussion on Suffering in Job 3-31* Hanneke van Loon offers a new approach to the theme of suffering in the book of Job Her analysis of metaphors demonstrates that Job goes through different stages of existential suffering in chapters 3-14 and that he addresses the social dimension of his suffering in chapters 17 and 19 Van Loon claims that Job's existential suffering ends in 19:25 and that chapters 23-31 reflect a process in which Job translates his own experience into a call upon the audience to adopt a new attitude toward the unfortunate ones in society The theoretical approach to metaphors is based on insights from cognitive linguistics **The Transformative Power of Metaphor in Therapy** Sana Loue, JD, PhD, MSSA, 2008-07-14
