asks what's on his mind during pivotal times in his life. As one of today's most respected New Thought leaders and reality theorists, he offers a lofty platform for this wide-ranging dialogue that powerfully expands our perspectives on essential truths, taking on topics such as: Why and how to see through the illusions of life on earth; How to make sense of natural disasters and man-made tragedies; Living deliberately; creating consciously; and finding your power. Wealth, relationships, past lives, and the evolution of consciousness. The ultimate reason for life on earth, it's shockingly simple. These are questions asked from the heart with a cautious, even suspicious mind. Mike explores the subtleties of the replies in depth and detail using his trademark wit and realism in this intrepid explorer's guide to the jungles of time and space.

A book about living that will help readers see more beauty, feel more power, and know more love. Don Miguel Ruiz, international best-selling author of *The Four Agreements*. If the dead could speak, don't you wonder what they would say to those of us they've left behind? What would they tell us to soothe our sorrow for their loss, calm our fears of what happens when we die, and fire us up to live the best possible lives we can right now? These are the questions New York Times best-selling author Mike Dooley seeks to answer in *The Top Ten Things Dead People Want to Tell You*, and ten years after its initial release, it's still one of Mike's most popular and beloved books.
