scenes They serve as a record of when Miami was 1980s America on steroids Burn Notice an innovative show in its own right followed Miami Vice's lead When compared to similar scenes from Vice recent TV shows reveal the distinctiveness of the 80s These TV shows also provide a window into today s Miami The guide shows where views of long gone iconic locations and typical Miami scenes can be found on the DVDs The value of Miami Vice to South Florida is explained Personal observations are provided by the author who lived there during the Vice years All music played on Miami Vice is listed as well as key locations in all Vice movies and recent TV episodes Violence in Popular Culture Laura L. Finley, 2018-11-09 A comprehensive resource this book reviews current and historical examples of violence in film television radio music music videos video games and novels Despite decades of attention and various attempts to enact legislation that limits violence in American popular culture it remains ubiquitous across films television radio music music videos video games and popular fiction Studies have shown that programs marketed to children are often remarkably violent and that viewing or otherwise consuming such violence has numerous negative effects on children's psychological health. This book sheds light on the scholarship related to violence in popular culture and compares historical and current examples analyzing popular shows such as Game of Thrones video games such as Mortal Kombat young adult fiction including the trilogy The Hunger Games and more Not only does Violence in American Popular Culture provide a comprehensive review of the research about the effects of violence in media but it also offers detailed assessments of violent content in various expressions of popular culture In addition it invites readers to compare violence in American popular culture with that globally via entries on violence in popular culture outside the United States An appendix of additional resources and primary sources gives readers further tools for deepening their understanding of this complex and controversial issue Readers' Guide to Periodical Literature .1910 **The SNL Companion** Stephen Tropiano, Steven Ginsberg, 2024-09-17 This is a comprehensive ticket to learning more about every aspect of the late night comedy staple and its storied history Library Journal Television history was made on October 11 1975 when a new generation of young performers welcomed America to the first episode of a new late night comedy and variety show Combining cutting edge humor with a satirical sensibility Saturday Night Live would go on to become the longest running series of its kind in television history shining a light on pop culture as well as contemporary social and political issues It also became a launching pad for many of the leading comedy performers of the last five decades including John Belushi Bill Murray Gilda Radner Eddie Murphy Phil Hartman Will Ferrell Tina Fey Amy Poehler Seth Meyers Jimmy Fallon Maya Rudolph and Kate McKinnon Celebrating the show's record breaking 50 years on the air The SNL Companion is a fun fact filled tribute to a television institution From the shows creation by Lorne Michaels through all of the seasons leading up to its golden anniversary it provides an in depth look at SNL s comedic highlights and nadirs its memorable hosts and musical guests and its many controversies Along with a complete episode guide it explores the characters sketches politics catchphrases commercial parodies and viral shorts that have made it a leader in American

comedy for over five decades Vastly revised updated and expanded since its original publication in 2013 and packed with photographs and rich encyclopedic detail The SNL Companion is a one stop resource for all things SNL Wars Insider Volume 8: The Saga Begins Jonathan Wilkins, 2019-02-26 Should I take one last shot at Star Wars and tell the backstory I thought I would regret it if I didn t do it George Lucas Star Wars The Saga Begins celebrates Episodes I III of the Star Wars saga The Phantom Menace Attack of the Clones and Revenge of the Sith This collection includes classic interviews with Ewan McGregor Hayden Christensen Natalie Portman Liam Neeson and George Lucas as they discuss telling the story of Anakin Skywalker's rise and subsequent fall against the backdrop of a burgeoning galactic war Also featured are interviews with key members of the visual effects team charged with bringing George Lucas singular vision to life This is the perfect gift for any Star Wars fan in your life Seattle Book Review The Worlds of Farscape Sherry Ginn, Donald E. Palumbo, C.W. Sullivan III, 2013-08-20 Reversing a common science fiction cliche Farscape follows the adventures of the human astronaut John Crichton after he is shot through a wormhole into another part of the universe Here Crichton is the only human being going from being a member of the most intelligent species on our planet to being frequently considered mentally deficient by the beings he encounters in his new environment John Crichton befriends a group of beings from various species attempting to escape from imprisonment aboard a living spaceship. The series which broke many of the so called rules of science fiction follows Crichton's attempts to survive in worlds that are often hostile to him and his friends Their adventures center on each being s attempt to find a way home The essays in this volume explore themes running throughout the series such as good and evil love and sex and what it means to be a hero as well as the various characters populating the series including the villains and even the ship itself

Internet Drama and Mystery Television Series, 1996-2014 Vincent Terrace, 2014-12-30 Created around the world and available only on the Web internet television series are independently produced mostly low budget shows that often feature talented but unknown performers Typically financed through online crowd funding they are produced with borrowed equipment and volunteer casts and crews and viewers find them through word of mouth or by chance The second in a first ever set of books cataloging Internet television series this volume covers in depth the drama and mystery genres with detailed entries on 405 shows from 1996 through July 2014 In addition to casts credits and story lines each entry provides a website commentary and episode descriptions Index of performers and personnel are included Renegade Hero or Faux Rogue Ashley M. Donnelly, 2014-05-02 This book explores the presence of the anti hero in mainstream dramatic serial television. It offers critical examinations of Dexter Sons of Anarchy True Blood Breaking Bad and Boardwalk Empire What purpose might such unusual protagonists serve in today s culture and what do their tales tell about U S political and economic issues from 2008 to 2012 The author discovers how the characters that seem initially so different prove to be strong examplars of established forms of power such as white patriarchy and late capitalist interests The study finds that even when the characters are groundbreaking fictional figures

they are all eventually written into submission by the narratives of their series echoing the same tales of fictitious heroism recycled in American television narratives for decades New trends in television narratives are discussed with the expectation that perhaps future dramas will free audiences from oppressive narratives rather than continue to normalize them
