

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

Teaching and Learning Shakespeare through Theatre-based Practice Tracy Irish, Jennifer Kitchen, 2023-12-28 How can the study of Shakespeare contribute to equipping young people for the challenges of an uncertain future? This book argues for the necessity of a Shakespeare education that finds meaning in the texts through inviting in the prior knowledge, experiences and ideas of students. Combines intellectual, social and emotional learning and develops a critical perspective on what a cultural inheritance is all about. It offers a comprehensive exploration of the educational principles underpinning theatre based practice and explains how and why this practice can open up the possibilities of Shakespeare study in the classroom. It empowers Shakespeare educators working with young people aged 5-18 to interact critically, creatively and collaboratively with Shakespeare as a living artist. Drawing on the authors' research and experience with organizations including the Royal Shakespeare Company, Shakespeare's Globe, the Folger and Coram Shakespeare Schools Foundation, Part One consolidates recent developments in the field and engages in lively dialogue with core questions of Shakespeare's place in the classroom. Part Two curates a series of interviews with leaders and practitioners from the above and other Shakespeare institutions exploring their core principles and practices. Part Three presents chapters from and about classroom teachers who share their experiences of successfully embedding theatre based approaches to Shakespeare in their own diverse contexts.
