- 1) Phylaxia's character: Her name is Phylax, which means "guardian" in Greek. She is the guardian of the "Book of the Law," which is a collection of laws that govern the lives of the people of the city of Thebes. She is a very strict and somewhat cold person, but she is also very loyal and dedicated to her duty.
- 2) Phylax's role in the play: Phylax is the one who first introduces the audience to the city of Thebes. She is the one who tells us about the laws of the city and the customs of the people. She is also the one who is responsible for the deaths of many of the characters in the play.
- 3) Phylax's relationship with the other characters: Phylax is a very important character in the play, but she is not very popular. She is often seen as a hindrance to the actions of the other characters. She is particularly disliked by Oedipus, who is the main character of the play.
- 4) Phylax's significance: Phylax is a symbol of the law and order of the city of Thebes. She represents the idea that there are rules that everyone must follow, and that there are consequences for breaking those rules. She is a reminder that even in a city as chaotic as Thebes, there are still laws that must be upheld.
