

THE SCORE

- A criminal activity, determined by your crew type. An assassination, burglary, illicit sex deal, etc.
- Seizing a claim that you choose from your crew's claim map. Claims help your crew grow and develop. See page 66 for more details.
- A special mission or goal determined by the players (like getting a rare artifact to improve one of the Whisper's rituals).

TYPES OF PLAN

ASSAULT

Do violence to a target. Detail: The point of attack.

DECEPTION

Lies, trick, or manipulate. Detail: The method of deception.

STEALTH

Drop an enemy. Detail: The point of infiltration.

DUCK

Engage a supernatural power. Detail: The arcane method.

SOCIAL

Negotiate, bargain, or persuade. Detail: The social connection.

TRANSPORT

Carry cargo or people through danger. Detail: The route & means.

MAJOR ADVANTAGES / DISADVANTAGES

Take +1d:

- Is this operation particularly bold or daring?
- Can any of your friends or contacts provide aid or insight for this operation?
- Does the plan's detail expose a vulnerability of the target or let them know they're watched?
- Maybe a lower: The target will give you +1d.

Take -1d:

- Is this operation overly complex or contingent on many factors?
- Is the target stronger against this approach, or do they have particular defenses or special preparations?
- Are any enemies or rivals interfering in the operation?
- Maybe a higher: The target will give you -1d.

ENGAGEMENT ROLL

🎲 1d for short lock.

🎲 +1d for each Major Advantage.

🎲 -1d for each Major Disadvantage.

Critical: Exceptional result. You've already overcome the first obstacle and you're in a controlled position for what's next.

g: Good result. You're in a controlled position when the action starts.

4/3: Mixed result. You're in a risky position when the action starts.

1-2: Bad result. You're in a desperate

FLASHBACKS

0 STRESS

An ordinary action for which you had every opportunity. The Curator Concocted with her friend Chael to agree to arrive at the dice game ahead of time, to suddenly spring out as a surprise ally.

1 STRESS

A complex action or unlikely opportunity. The Herald Firmed his points into a hiding spot near the card table so he could retrieve them after the jam-down at the front door.

2 STRESS

An elaborate action that involved special opportunities or contingencies. The Whisper has already studied the history of the property and learned of a ghost that is known to haunt its ancient card deck—a ghost that can be compelled to reveal the location of the hidden vault.

TEAMWORK

ASSIST

Take 1 stress to give another player +1d. You might also suffer consequences from the roll. Only one person may assist a roll.

LEAD A GROUP

Lead a group action. Roll for each character who participates in the group action. The best single roll counts as the action result, which applies to every character that rolled.

PROTECT

Face danger for a teammate. Step in to suffer a consequence in their place. You may roll to assist as normal, if you wish.

SET UP

Set up another character with your action. If you achieve it, any team members who follow up get an effect or improved position.
