

Grandparents

Few can bring the warmth
We can find in their embrace.
And little more is needed to bring love.
Than the smile on their face.

They've a supply of precious stories,
Yet they've time to wipe a tear,
Or give us reasons to make us laugh.
They grow more precious through the years.

I believe that God sent us Grandparents
As our legacy from above,
To share the moments of our life,
As extra measures of His love.

Grandparents Candlelighting Poem:

Healing a Grandparent's Grieving Heart Alan D Wolfelt, 2014-05-01 This heartfelt manual is an indispensable and easily referenced resource for grieving grandparents offering them a way forward after the death of a grandchild. Whether they were close to their grandchild and keenly feeling his or her absence or even if they were not close to the child and are mourning the loss of a relationship, they'll never have this book. It offers grandparents compassionate comfort and practical ideas for their journey through grief, addressing as well the unique pain of watching their children mourn the loss of their child. The ideas offered in the book clarify the basic principles of grief and mourning and offer immediate suggestions for things grandparents can do to embrace their grief, honor and remember their grandchild and begin to heal. **Where's Thena? Most of these poems came during the period 1987-2004 with a recent addition lured from my pencil by the work on this book.
