Fate of Storms Meredith Wild,Angel Payne,2021-05-04 A stolen destiny An impossible quest Kara Valari has broken one of the underworld's highest laws and is serving the ultimate sentence But nothing not even the impossible quest of breaching the boundaries of hell and facing off with Hades himself will keep Maximus Kane from rescuing her The journey will demand all of Maximus's courage and help from an unlikely guide Driven by love he sets off into a dark realm he only knows from the tattered pages of Dante's Comedy In hell's bleak world every part of Kara's soul is subjected to Hades's morbid fascination and merciless assault Giving in to his demands means sharing the intimate details of why she dared to disobey him a love for Maximus that even now burns on in her heart Just when Kara resolves herself to an eternity of her nightmare she discovers a glimmer of hope a way to glimpse her beloved Could her visions of Maximus unite them once more or are they just another twisted punishment for her in a kingdom designed for agony In those fleeting moments of light and passion Kara rekindles her fight to survive Darkness may still separate her from Maximus but they're connected by fate But can their love survive this storm Blood of Zeus Meredith Wild,Angel Payne,2020-08-25 An ancient grudge A forbidden love The only thing worse than being a demon is being a Valari As an undergraduate at Los Angeles's Alameda University Kara Valari can sometimes succeed at forgetting she's both Lost between the pages of the classics and tucked into the shadows of lecture halls she can

dodge the paparazzi's lenses as well as her family's publicized dramas not to mention their private expectations. She has one more year to feed her true passions. Then she'll be expected to fulfill a much darker destiny. Cursed with inexplicable strength and godlike stature, literature professor Maximus Kane knows all about darkness. Every day he's reminded of the missteps of his childhood and the devastating consequences they've had on those dearest to him. To atone, Maximus spends his nights alone and his days submerged in the quiet life of academia. His existence has become a study in control, and he's become a master at it until Kara Valari walks into his toughest course. Viscerally, Kara's everything he craves. Logically, she's everything he rejects. She's a starlet of privilege. She's also a student. And after one touch, he can't deny that she's awakened something in him that may never go dormant. Nothing about her makes sense, but everything about her feels right. Especially in the deepest strands of his DNA, which are still shadows of mystery to him. A mystery Kara seems determined to uncover. She's Hollywood royalty. She's forbidden fruit. And he's pretty sure she could be the answer to everything. *Bridge of Souls* Meredith Wild, Angel Payne, 2022-12-13

They survived the dark. But can they trust the light? Kara Valari and Maximus Kane have been to hell and back fighting for their love and their lives. But the path back to normal isn't as easy as they hoped. A dormant secret in Kara's blood has been awakened, and she needs the help of a goddess to learn its full potential, but also its hidden dangers. Shielded from the world in the magical enclave of Iremia, the lovers reunite with all the fires of their first passion. But as they bond tighter to each other, Kara learns that the underworld has targeted her family in terrifying ways, and the safe world around them starts to splinter. Unenamored by Iremia's promises of enlightenment, Maximus unravels more of the mysteries and the powers that are lurking behind the scenes. But to find his and Kara's true allies, he is forced to seek out his enemies and rewrite his thinking on good and evil. Caught in a web of gods, demons, and magic, Maximus and Kara must build stronger bridges to each other, and as a wave of deeper truths heads their way, have faith that the ramparts of their love will hold. *Heart of Fire* Meredith Wild, Angel Payne, 2020-12-22

He's forged from heaven. She's promised to hell. Professor Maximus Kane can no longer deny his passion for his stunning yet mysterious student Kara Valari. But surrendering to their desires carries more consequences than just violating the Alameda University conduct codes. Kara has defied her destiny. Higher directives have been violated. Now there's hell to pay. It's a crisis for which there seems no solution until the explosive secrets of Maximus's bloodline are exposed. Despite all his doubts and fears, Maximus has no choice but to accept help from his enigmatic father, which means coming to terms with his heritage and embracing a bizarre new world of gods and demons. Because somewhere in that world, in the strange and sordid secrets surrounding his past, is the key to protecting Kara's future. Nothing has ever meant more to him than saving the treasure of her life and the fire of her heart. While earth's lower realms seek payback for Kara's transgressions, Kara finds a new ally in a surprising place: the Valari matriarch herself. Beneath the scrutiny of the world press, Veronica orchestrates a plan to protect her daughter by doing what she does best: shining the spotlight on her. But by her side, Maximus can't escape the glare of the paparazzi. Can they buy time and blind

their enemies with Kara's fame. Or will Hollywood's new it couple and their forbidden love incite more vengeance than they'd ever bargained for

His diverse experiences, including his work as a journalist and his travels across Europe, informed his understanding of complex social dynamics, which he skillfully translated into his fiction. *With Edged Tools*, published in 1895, showcases his ability to reflect contemporary anxieties through the lens of compelling storytelling while grappling with issues relevant to his time. Political Participation in Asia Eva Hansson, Meredith L. Weiss, 2017-10-16 A combination of economic transformation, political transitions, and changes in media have substantially and incrementally altered the terrain for political participation globally, particularly in Asia, home to several of the most dramatic such shifts over the past two decades. This book explores political participation in Asia and how democracy and authoritarianism function under neoliberal economic relations. It examines changes that coincide seemingly perversely with a participation explosion, with mass street protests and occupations, energetic online contention, movements of students and workers, mobilization for and against democracy, and more. Organized thematically in three parts, political participation in a post-democratic context, changes in the scope and character of political space, and the policing of that space, this book analyzes economic regime and media shifts and how they function in tandem and both within and across states. Closely integrated, comparative, and theoretically driven, this book will be of interest to scholars and practitioners in the fields of civil society, contentious politics, or social movements, democratization, political economy, development, media, and communications, political geography, sociology, comparative politics, and Asian politics. *Hodder & Stoughton's sixpenny novels.
