Backpacker ,2005 *Company Commander* Charles Brown MacDonald,2006 **Arn's War** Edward C. Arn,2006 Arn writes in a straightforward and engaging manner that avoids false sentimentality or romanticism Instead he gives readers keen insights into the daily life of soldiers locked in gruesome events far beyond their experience and describes how it feels to be under fire to suffer a wound to agonize over the deaths of friends to endure true suffering to sacrifice and to survive Edited and annotated by Jerome Mushkat this memoir is an account of a citizen soldier who survived his baptism by fire during World War II BOOK JACKET Pogue's War Forrest C. Pogue,2006-02-01 With a foreword by Stephen Ambrose and a preface by Franklin D Anderson Forrest Pogue 1912 1996 was undoubtedly one of the greatest World War II combat historians Born and educated in Kentucky he is perhaps best known for his definitive four volume biography of General George C Marshall But as Pogue s War makes clear he was also a pioneer in the development of oral history in the twentieth century as well as an impressive interviewer with an ability to relate to people at all levels from the private in the trenches to the general carrying four stars Pogue s War is drawn from Forrest Pogue s handwritten pocket notebooks carried with him throughout the war long regarded as unreadable because of his often atrocious handwriting Pogue himself began expanding the diaries a few short years after the war with the intent of eventual publication At last this work is being published Supplemented with carefully deciphered and transcribed selections from his diaries the heart of the book is straight from the field Much of the material has never before seen print From D Day to VE Day Pogue experienced and documented combat on the front lines describing action on Omaha Beach in the Huertgen Forest and on other infamous fields of conflict He not only graphically yet also often poetically recounts the extreme circumstances of battle but he also notes his fellow soldiers innermost thoughts feelings opinions and attitudes about the cruelty of war As a trained historian Pogue describes how he went about his work and how the Army s history program functioned in the European Theater of Operations His entries from his time at the history headquarters in Paris show the city in the early days after the liberation in a unique light Pogue s War has an immediacy that much official history lacks and is a remarkable addition to any World War II bookshelf Franklin D Anderson Forrest Pogue s nephew by marriage is a longtime educator He lives in Princeton Kentucky **The Power of the Dog** Don Winslow,2006-05-09 From the New York Times bestselling author here is the first novel in the explosive Power of the Dog series an action filled look at the drug trade that takes you deep inside a world riddled with corruption betrayal and
