Honesty Over Silence Patrick Regan, 2024-04-18 The Bible is way more honest than most churches about the actual levels of pain and confusion in life That's why we need this book It's going to provoke ten thousand honest

conversations helping to bring healing hope and understanding to many who currently suffer in silence Pete Greig Founder of 24 7 Prayer and leader of Emmaus Rd Church Guildford IT S OK NOT TO BE OK Honesty Over Silence seeks to open up conversations around topics that many find difficult such as trusting God when life is painful dealing with anxiety and depression learning to look after ourselves developing our character and living with thankful hearts even in tough seasons It examines our strength in letting go of our need to be in control as well as looking at how we can stop comparing ourselves to others and instead live authentically and honestly as we grow into the people God has created us to be The power of this book is in its piercing honesty and vulnerability It gives a voice to those issues that we as Christians sometimes want silenced what happens when darkness falls Where is God in mental illness Can I ever be enough Through Patrick s stories of his own life and those of others he powerfully reminds us that a life of faith is smattered with but not shattered by dark places This is an amazing book which will bless encourage and comfort many Tim and Rachel Hughes Lead Pastors at Gas Street Church Birmingham
