Ifsta Fire Life Safety Educator 3rd Edition:

Fire and Life Safety Educator IFSTA, 2011-02-01 The third edition of Fire and Life Safety Educator provides the educator with knowledge to support successful performance as a fire and life safety educator as addressed in NFPA 1035 Standard for Professional Qualifications for Fire and Life Safety Educator Public Information Officer and Juvenile Firesetter Intervention Specialist. In addition, the manual meets the learning outcomes of the National Fire Academy's Fire and Emergency Services Higher Education (FESHE) non-core course Fire and Life Safety Educator. New to the Fire and Life Safety Educator manual is the addition of two levels: Juvenile Firesetter Intervention Specialist I and Juvenile Firesetter Intervention Specialist II. All levels are covered separately for ease of use. In all, the third edition covers five levels of the standard: Fire and Life Safety Educator Level I (Chapters 2-6), Fire and Life Safety Educator Level II (Chapter 7), Fire and Life Safety Educator Level III (Chapters 12-16), Juvenile Firesetter Intervention Specialist I (Chapters 17-20), and Juvenile Firesetter Intervention Specialist II (Chapters 21-25). This manual should be the first document on a public educator's bookshelf and a ready reference of public education knowledge. The manual is intended to educate the educator rather than to train the educator. In this way, the educator will be able to apply knowledge and skills to many different areas under the umbrella of injury prevention and control. The manual focuses on all-risk education. This manual is intended to assist in preparing for certification to the Fire and Life Safety Educator I, II, and III and Juvenile Firesetter Intervention Specialist I and II levels of NFPA 1035 Standard for Professional Qualifications for Fire and Life Safety Educator, 2010 edition. **Fire and Life Safety Educator I and II** Ben A. Hirst, 2006-02-23 Follows NFPA 1035 Standard for Professional Qualifications for Public Fire and Life Safety Educator, 2005 edition. **Fire and Life Safety Educator: Principles and Practice** Giesler, 2016-11-08 Fire and Life Safety Educator Principles and Practice, Second Edition, includes Navigate 2 Advantage Access, meets the objectives of NFPA 1035:2015 for FLSE Levels I, II, III, Public Information Officer, Youth Firesetter Intervention Specialist, and Youth Firesetter Program Manager. It is written for practitioners, managers, and supervisors as well as for those who are new to the FLSE field, covering fire behavior and prevention, code compliance, community risk reduction, risk assessment, and working with the public. Based solidly on research and proven tactics, it describes community outreach methods, how to effectively teach fire and life safety, and how to market prevention and preparedness messages to all age groups. In-depth instruction advises on developing fire and life safety curricula, objectives, lesson plans, and presentations. This second edition covers all aspects of designing, budgeting for, and managing a fire and life safety program, public relations and persuasion tactics, legal considerations, and best professional practices. The importance of program evaluation and how to conduct evaluation is explained. New chapters are included to address the public information officer role and specific responsibilities, Youth Firesetter intervention strategies, and Youth Firesetter program implementation. **Fire and Life Safety Educator** Pam Powell, Lynne C.
