Mapping Power Navroz K. Dubash, 2018-08-22 Electricity is critical to enabling India's economic growth and providing a better future for its citizens In spite of several decades of reform the Indian electricity sector is unable to provide high quality and affordable electricity for all and grapples with the challenge of poor financial and operational performance To understand why Mapping Power provides the most comprehensive analysis of the political economy of electricity in India's states With chapters on fifteen states by scholars of state politics and electricity this volume maps the political and economic forces that constrain and shape decisions in electricity distribution Contrary to conventional wisdom it concludes that attempts to depoliticize the sector are misplaced and could worsen outcomes Instead it suggests that a historically grounded political economy analysis helps understand the past and devise reforms to simultaneously improve sectoral outcomes and generate political rewards These arguments have implications for the challenges facing India's electricity future including providing electricity to all implementing government reform schemes and successfully managing the rise of renewable energy

Ferguson Report: An Erasure Nicole Sealey, 2023-08-15 A NEW YORKER BEST BOOK OF THE YEAR A meditation on our times cast through a reconsideration of the Justice Department's investigation of the Ferguson Police Department In August 2014 Michael Brown a young unarmed Black man was shot to death by a police officer in Ferguson Missouri What followed was a period of protests and turmoil culminating in an extensive report that was filed by the Department of Justice detailing biased policing and court practices in the city It is a document that exposes the racist policies and procedures that have become commonplace from disproportionate arrest rates to flagrant violence directed at the Black community It is a report that remains as disheartening as it is damning Now award winning poet Nicole Sealey revisits the investigation in a book that redacts the report an act of erasure that reimagines the original text as it strips it away While the full document is visible in the background weighing heavily on the language Sealey has preserved it gives shape and disturbing context to what remains Illuminating what it means to live in this frightening age and what it means to bear witness The Ferguson Report An Erasure is an engrossing meditation on one of the most important texts of our time **Il contributo del sistema di prevenzione e gestione dei rischi alla generazione del valore d'impresa** AA.
