**A Corpse Among the Carolers** Debra Sennefelder, 2024-11-12 Hope Early is fully immersed in the spirit of the Christmas season until the sounds of joyful carolers are silenced by the words Ho ho homicide Food blogger Hope Early always gets a hearty holiday laugh from knowing that the weeks leading up to Christmas are as frantic as they are festive But in spite of everything she has to do the one thing she always has time for is the annual Jingle Bell Stroll a night when the community gathers to sing their hearts out and enjoy each other's company This year's caroling feels especially heartwarming until the final note lands with a thud when Hope finds the body of the man who'd volunteered to play Santa a knife plunged into his back With virtually the whole town present at the caroling the list of suspects seems endless It doesn't take long though for both Hope and the police to turn a sharp eye on the victim's bitter and vindictive ex wife along with his new wife who may have been after his money Then Hope unearths a clue that suggests the dead man may have been hiding a sordid past and connections to unseemly characters But as she closes in on the killer they're determined to wring her neck before she can ring in the new year Includes tasty and toasty holiday recipes
