explores how crusading rhetoric iconography and historiography have been purposed by far right nationalist and related groups in the recent past through case studies as varied as Brenton Tarrant who killed 51 people at a mosque and Islamic centre in New Zealand in March 2019 a modern American military order that uses memes to recruit members and spread its ideology and the bestselling video game Assassin's Creed As nationalist and far right ideologies have gained adherents in Europe and the Americas understanding how ideologues have misused the crusading past for their own ends is more important than ever The Crusades and the Far Right in the Twenty First Century is useful for all students and scholars interested in the intersection between the history of the crusades and far right ideology in the modern age **Reference**Guide to English Literature D. Bodies Gillian Bennett, 2009-09-18 Because they are so often told as news contemporary legends force us to reevaluate life as we know it They confront us with macabre fantastic horrific or hilarious characters and events that seem to come straight out of myths and folktales but are presented as present day events. The difficulty is that it is not at all easy to decide whether these often disturbing stories should be treated as reliable or dismissed as fantasy The legends explored in this book are some of the most bizarre gruesome and politically sensitive stories in the contemporary legend canon At any moment a body may be invaded by noxious creatures deliberately infected with deadly disease or raided to provide donor organs for sick foreigners These are winter s tales the stuff of nightmares In this book Gillian Bennett traces the cultural history of six legends well known in Europe and America from medieval times to the present day Appearing in broadsides ballads myths ancient and modern legends novels plays films television shows and stories told in the oral tradition these legends are not just silly tales which can be dismissed as trivial and untrue They reveal much about the concerns and fears of everyday life Inside Secret Societies Neil Turitz, Barak and demonstrate the limits of knowledge and power in the modern world Zimmerman, 2021-11-02 For centuries humans have had a fascination with secret societies Some societies that are hundreds of years old like the Illuminati and the Freemasons are still relevant today Or at least they are thought to be But why After all this time why do people still care about things like that Whatever it is Inside Secret Societies gets to the bottom of it We re taking the oath to reveal some of the more secretive of the secret societies as well as some of the less secretive ones Packed with plenty of minutiae and little known facts this will be popular addition to those into manifestos **Sixties Shockers**
