Kendal Richoux s life began during the reign of Egypt s only female pharaoh After accepting the opportunity to drink the elixir of the sun Kendal becomes immortal and the Genesis Clan s slayer History has taught her the dangers of getting too close to anyone who hasn t harnessed the power of time After many years she returns to New Orleans to finish a job she s trained for all her life It s time for her to face her brother Henri and it will have dire consequences to mankind if she fails Piper Marmande believes Kendal has come to take over the company her family has built over generations As Kendal prepares for the most important battle of her long life Piper does her best to uncover every one of Kendal s secrets making herself a distraction Kendal can t afford as she hunts Henri and Ora the vampire who seduced him to a life of darkness AB Bookman's Weekly ,1993 Curse of the Nymphomaniac Veronica Sloan,1901 Kimberly wants to be good but how can she when being bad feels so much better Ever since she unearthed a strange artifact in the desert this beautiful scientist has been cursed with a relentless sexual desire It s a delicious addiction but it s ruining her life Can she discover a way to break the spell or will she spread her legs for every man in Cleveland Excerpt While they chit chatted their way through the awkward phase of getting to know each other she watched his eyes his mouth his nervous hands Scott was probably a sweet but succinct lover Going down on her would be his most daring gambit between the sheets He d want to maintain direct unswerving eye contact while they made love and get embarrassed if either of them made too much noise A perfect gentleman or a perfect wet blanket she didn t care It was all she needed tonight If they actually had chemistry if there was anything remotely hot behind his dumb doe eyes she d be in trouble She hadn t counted on the waiter From the moment he seated them at their table his eyes were taking surreptitious dives down her cleavage The looks were fleeting furtive and he always turned to Scott afterwards with a smile The man had slicked back hair and weasel eyes and under

different circumstances she might not even notice the looks or not care But from the first she knew he d be trouble Looks would lead to dirty thoughts and the dirtier his thoughts the hornier she d have to be That was how the curse worked She was reduced to rocking in her seat to ease the throbbing ache in her bottom Every hole in her body wanted to be filled even the most inconvenient ones When the waiter returned she felt his desire pass over her like a hot cloud She moaned aloud when he poured fresh water in Scott s glass Both men stared at her one intrigued the other scared Kimberly s eyes locked onto the waiter s and a devilish smirk bent his face When he d gone Scott leaned over the table Do you know him Um no She chewed on a nail I mean no I mean maybe Sorry I have to use the bathroom Didn t you just His words were swallowed up by the ringing in her ears She rushed between the crowded tables flames licking at her tender buttocks Men turned to watch her pass Was she so extraordinarily desirable Or did all men need to picture her naked before they went back to chewing their garlic bread It didn t matter All that mattered was that she felt it too She felt the waiter s desire reflected and magnified inside her If she didn t act on it she d explode She wasn t sure if she d literally explode but when the urge came over her when she absolutely had to have it her heart beat like a rabbit with twenty wolves on its tail She needed him He overwhelmed her senses His smell his eyes She longed for the feel of his fingers in her hair Tight curling fingers Needed him Needed to please him He was thinking of her The hornier he got the sharper the connection became He was thinking what he d like to do to her right there on the table If she hadn t gotten up when she did she would have begged him to right there in front of Scott No she couldn t control the curse but she knew how it worked and could at least channel her nymphomania to where it would bring her the least embarrassment The least humiliation The least shame Oh but she wanted to be shamed She wanted to be controlled dominated spanked penetrated She wanted to submit
