study and practice more or if you are already prepared enough to achieve success on your test day. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our TExES ESL Supplemental Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed and more importantly why you missed them to be able to avoid making the same mistakes again when you take the real test. That's why our TExES ESL Supplemental Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

TExES PPR EC-12 (160) Book + Online Beatrice Mendez Newman, 2022-02-09. REA's TExES PPR EC 12 160 Test Prep with Online Practice Tests 6th ed. Gets You Certified and in the Classroom.
