## **Grade Tourism Memorandum September 2013:**

**Presidential Leadership and National Security** Richard S. Conley, 2017-10-31 This book assesses the foreign policy legacy of the Obama administration through the lens of national security and leadership. Timely accessible chapters authored by leading scholars of presidential and international politics cover White House Cabinet relations, Congress, and War Powers challenges including the Iran nuclear deal, ISIS, and the closing of Guantanamo Bay. Drone strikes, the New Cold War with Russia, and the ways in which the Obama foreign policy legacy shaped the 2016 presidential election. In particular, the book explores the philosophical basis of counterterrorism strategy in the Obama administration and traces how precepts differed from the administration of George W. Bush. More generally, the book contributes to an understanding of the distinctive interplay between the formal constitutional powers of the president and the use of informal executive powers in the quest for peace and security. Finally, the book surveys the challenges that Donald J. Trump faces in the transition to the new presidential administration.

**Intercultural Education in Chile** Ernesto Treviño, Liliana Morawietz, Cristóbal Villalobos, Esteban Villalobos, 2023-05-05 This book examines the status of intercultural education in Chile. It does this through three axes: the first is multidisciplinary, including historical, anthropological, sociological, and pedagogical, to account for varied aspects of the Chilean intercultural education. The second is the consideration of multiple indigenous peoples, analyzing students' groups or indigenous peoples such as the Rapa Nui, Aymara, or Mapuche. Finally, the book has a multilevel perspective that recognizes that educational policy involves different actors, from the central government to local communities. The book incorporates study material enriched with the experience and analysis of different perspectives and methodologies of its authors, being useful for understanding intercultural education in the country. It is a versatile resource for understanding this topic as well as a support for the development of programs and policies. Translation from the Spanish language edition *Educación Intercultural en Chile: Experiencias, pueblos y territorios* by Ernesto Treviño et al. Ediciones UC, 2017. Published by Ediciones UC. **The Global Student Experience** Camille Kandiko, Mark Weyers, 2013-03-18 There are 100 million students in higher education throughout the world today. This collection provides some indication of what they are learning and of their wider experiences. It also outlines the changing global context of provision for undergraduate students as countries and universities respond to what they anticipate will be new demands for.
