*Grandpa's Corner Store* DyAnne DiSalvo, 2000 Grandfather's corner grocery business is threatened by a new supermarket but his granddaughter Lucy organizes the neighbors to convince him to stay **Grandpas Corner Store-Pb** NATIONAL GEOGRAPHIC, 2013-06-28 **Promoting a Global Community Through Multicultural Children's Literature** Stan Steiner, 2001-03-15 You will find this book invaluable for teaching students the beauties of diversity and for building understanding of cultures from around the world This book features more than 800 titles both single volume and series selected for their multicultural content and compelling reflections of the social issues of diverse cultures The more than 100 interdisciplinary application strategies for titles range from reading aloud with follow up discussions to social activism Fully indexed by author and title this guide includes Web sites for literature integration contact information a discussion of the benefits of multicultural literature and suggestions for further reading The perfect guide for introducing students to other cultures and customs *Advantage Reading Grade K* Creative Teaching Press, 2004-04 *Grandpa's Stories* Ronald (Ronn) L. Shank, 2012-09-17 A number of years ago now as one of my grandsons first birthday approached I thought about what to give a one year old There are a million things that will be played with for a short while then either broken or ignored I wanted to give something special something lasting something that even when older he might still enjoy Then it struck me since he likes the silly little stories I tell him upon his request that maybe I could write some cute little short stories with a moral as well just for him and any of my other grandchildren as well when shared Thats all it took to get me started Since then each year I write a little story that somehow relates to something in his life When another grandchild came along he also was added to the list of recipients of original stories When I got to thinking about it I decided there may be other grandparents that would like to spend time with their grandchild reading a little story Now a few years down the pike and I have enough for a book And so herein I offer my readers a chance to share the joy of time spent reading to a child That is why my stories were written in the first place Children go through phases as with my grandchildren there were the dinosaurs whales especially the blue whale hedge hogs puppies and gold fish Im sure you get my drift All of these fed my imagination and help to produce stories that have a connection and personal touch for both the child and me These stories are not written for children to read but rather for a loving adult to sit down with child on their lap or side by side on a shared sofa and be read to I recommend using funny voices and lots of emphasis and maybe a tickle or two at just the right moment to add flavor and a garnish to each story The giggles like sparklers on the 4th of July will shower joy in all directions and warm the heart of the one reading the story and those close by Do not be concerned about the content all the stories contained in this book are rated PG to be read by Parent or Grandparent I hope you will enjoy these short stories even more than I did writing them *Understanding Diversity Through Novels and Picture Books* Liz Knowles, Martha Smith, 2007-05-30 *Understanding Diversity Through Novels and Picture Books* goes beyond the usual multicultural lists and
