The gospel of peace. what you are the world is. your transformation changes the world Davide Appi,2022-08-11 Love will always triumph over Evil The world is ruled by a handful of Super Rich These in their short sighted management of the planet are leading Humanity to its own self destruction The problem is that the same destructive dynamics typical of the egoic mind that dominate the Universal Masters also dwell in us common mortals so on a smaller scale we are all co responsible for the current situation Do we want to continue on this path remaining in our old ego and thus become passive accomplices of Humanity's self destruction Or do we want to be protagonists of the global Awakening of Consciousness to head towards a New Promised Land save ourselves from the nuclear holocaust and build the Earthly Paradise But how to Be the change we want to see realised in the world Meditation and daily good deeds are direct routes to Happiness and World Peace When we are in meditation and we reach the state of enlightenment then we feel a force within us that is not of this world an unlimited trust thanks to which we fear nothing not even a possible atomic holocaust and we perceive something that cannot be described in words a sense of well being Peace and unconditional Love and all this turns into a universal force capable of uniting all the consciousnesses that populate the Infinite Universe If we perceive this Love within us we already become immortal as we are destined to fly away to the stars should self destructive collective unconsciousness prevail on this planet In the final analysis we can affirm Love always triumphs even in the case of self destruction if it does not win here it will win elsewhere in fact as Giordano Bruno said there are Infinite peopled worlds in which Peace reigns forever and ever Translator Alessandra Cervetti PUBLISHER TEKTIME
