Compaine,Douglas Gomery,2000-07-13 This thorough update to Benjamin Compaine s original 1979 benchmark and 1982 revisit of media ownership tackles the question of media ownership providing a detailed examination of the current state of the media industry Retaining the wealth of data of the earlier volumes Compaine and his co author Douglas Gomery chronicle the myriad changes in the media industry and the factors contributing to these changes They also examine how the media industry is being reshaped by technological forces in all segments as well as by social and cultural reactions to these forces This third edition of Who Owns the Media has

been reorganized and expanded reflecting the evolution of the media industry structure Looking beyond conventional wisdom and expectations Compaine and Gomery examine the characteristics of competition in the media marketplace present alternative positions on the meanings of concentration and ultimately urge readers to draw their own conclusions on an issue that is neither black nor white Appropriate for media practitioners and sociologists historians and economists studying mass media this volume can also be used for advanced courses in broadcasting journalism mass communication telecommunications and media education As a new benchmark for the current state of media ownership it is invaluable to anyone needing to understand who controls the media and thus the information and entertainment messages received by media consumers

The Nongraded Elementary School John I. Goodlad, Robert Henry Anderson, 1987-06-15 Since its first publication in 1959 The Nongraded Elementary School has become a classic in school reform literature This reissue includes a retrospective introduction on what happened to nongraded alternatives in the aftermath of Sputnik educational reforms what is occurring amid the current resurgence of school reform and what the prospects are for the future The value of this book lies in its still contemporary theoretical underpinnings for the nongraded school The book's treatment of the issue of promotion versus non promotion is of particular interest in the current debate on school reform
