How To Be Totally Miserable:

How to be Totally Miserable John Bytheway, 2001 Presents advice for Mormon teenagers on how to find happiness Features quotes from various sources including Mormon teachings *How to be Totally Unhappy in a Peaceful World : Everything You Ever Wanted to Know about Being Unhappy : a Complete Manual with Rules, Exercises, a Midterm, and a Final Exam* Gil Friedman, 1997 More fun on the cover than most whole books have The perfect toilet or coffee table book for the 21st century Book laid out to help reader become unhappy Learn about the joys of unhappiness A children's book for adults Big Print easy to read From Gurjieff to Santayana author drops the names of his many friends Candid reviews by the critics on back cover Here at last is a book that shows you how to be totally unhappy even if your world is a peaceful one Thirty simple rules on how the author did it and how you can do it too The rules come from the school of hard knocks The author has absolutely no qualifications for writing this book except a law degree from Harvard Each rule comes with its own cartoon to help you focus on the rule There are exercises for each rule as well as a midterm and a final exam to help keep you on track This is a book not to be missed It may be your last chance for in depth unhappiness **How to Be Totally Unhappy in a Peaceful World** Gil Friedman, 2013-09-01 Most self help books are trite They don't tell you anything you don't already know and if you could follow their advice you wouldn't need to read the book in the first place This book however is radically different It assumes that you are a normal happy person and want to experience the misery that so many others complain about It gives some great advice on how to bring yourself to hell on earth and bring all of your family friends and co workers right along with you Best of all you can do all this while rolling on the floor with laughter Give this book to anyone whose cheerful mood annoys you when you are down in the dumps I totally recommend this book for anyone even slightly Unhappy or those who love them I totally recommend this book for anyone even slightly Unhappy or those who love them It's fabulous We had a great time saw ourselves and others in the pages and since unfortunately this whole family is part of the 20% of happy people in a miserable world the laughs were frequent and heartfelt I've read through bunches of self help books Of all of them I think Born to Win and this book are the only two that will persist on my shelves The book is a delightful take on the American way Written with insight and humor the author takes you into misery as a way of life and offers clever ways of maintaining your miserable status I read it in one evening and thoroughly enjoyed the wacky humor and uncanny knowledge of how we make ourselves sick with unnecessary worry and self doubt Read it with a sense of humor and you can't help but love it the way I did This is a great book to have on your living room coffee table or bedside so that you can pick it up often open to any page and laugh at how ludicrous we can be on a regular basis I have taught social dance classes for over 20 years and my goal is to provide an arena in which people have the freedom to laugh at themselves while learning about something new Gil's book provides me and others with that freedom I highly recommend it This is a good book when one feels down and needs an uplift It allows one to realize not to take life so seriously Very enjoyable reading *How to*
