Never Say Uncle Cherie

Lewis,2023-08-24 Cherie Lewis has created a captivating read that is a page turner and a book that will be hard to put down Being as intensely private as she is talented Cherie Lewis shares her inspiring story like no one else can giving the reader the ride of a lifetime as she desperately searches for her life s purpose This is a story told with bravery insight integrity and the unwavering desire to survive Never Say Uncle is a novel based on a true story of never giving up and never giving in and never surrendering to the enemy within The author takes you to the dark side revealing how the main character a barefooted little girl in pigtails escapes the wrath of childhood abuse becoming a mighty warrior battling to keep control of her life after love loss and heartache The author takes you on a journey from overcoming obstacles of being victimized to becoming a survivor from the enemy that had taken a solemn oath to keep her from harm s way From the very beginning the writer shares the tale of a family of tortured souls and the brave young girl who must fight against the disloyal protector and untrustworthy guardians of her childhood only to escape into the arms of a self proclaimed mountain man falling into a world of bitterness anger and despair as she jumps out of the frying pan and into the fire From the first page to the last the author does not disappoint

W a n t. Karl L. Larsen,2011-10-17 W a n t an ongoing project begun in the depths of disillusionment and dead ends inspired by the word itself and the tormented feelings it generated a hollow term with no resolve Wallowing in the disappointment of failure the author meandered aimlessly through the cracks of social strata in search of definition literally Lack insufficiency absence inability the familiar definitions of want words that he knew all too well And then Karl Larsen set out to change all that Besides the instructions provided by the author on how to understand your desires where they come from and what do with them the book details his journey from a near death experience to the moment he began piecing his life together to uncover the unlikely paths to his own success Inspired by experiences both good and bad he discovers he must overcome and accept his past in order to harness his own re creation and become who and what he wants to be Larsen returned to his South Carolina roots in the fall of 2008 following a 4 year downward spiral in North Carolina He found himself in back Columbia a bustling Southern city on the verge of a renaissance Full of energy and the unflinching desire to free himself from a life so far defined by disappointment complacency and often despair a series of life changing events began Since the release of his first project W a n t Larsen has dedicated most of his time and energy to serving his city through public art projects and community service one of the many paths that opened to him W a n t is currently in its sixth printing with the seventh pending 2014 is a milestone for Larsen and his book As of October 17 W a n t will have been happily self published for three years Larsen believes strongly in self publishing treating his work as a project not a product For the anniversary release new cover art is in the works as well as some minor revisions Today W a n t in its current edition is available in paperback only Although the author has shied away from major publishers and bookstores his book has

managed to find itself scattered across the country and as far away as Japan Norway United Kingdom and Kuwait
