Leasure's Stories of Farm Life and Human Challenges Rodger Leasure,2022-11-03 These short stories relate directly to actual events in the author s life They are real events and while humor is injected into the stories there are tragic everyday occurrences that impact our dwindling animal life The author believes deeply that we are both unaware and cruel in our treatment of the various species and the unawareness could lead to serious consequences The author also is aware that the targeted age group for these stories is five through seven years and believes that it is not for him to teach children their values He believes that responsibility rests with the parents Therefore the stories are written in such a way to be positive and humorous At the same time the author attempts to capture the strength behind the concept of helping one another and the role of friendship in any situation involving the need for assistance from a loved one a neighbor or an acquaintance The

author does not seek literary recognition Rather he is objective in realizing what impact modern technology has played in denying the youth of our world from enjoying those long walks to distant fishing spots the consequences of television overdose and the impact of the loss of innocence at younger ages The unresolved question is Whatever happened to the cookie and glass of milk at the end of the school day **Popular Mechanics** ,1983-10 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle *Popular Mechanics* ,1989-04 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle *Corvair for the Not So Mechanically Inclined* Perry Moore,2009-03-28 A Corvair for Dummies book If you are under 40 odds are you have never heard or seen a Corvair Learn how to repair the most common restoration issues for the Chevrolet Corvair 1965 69 Step by step procedures on critical issues Learn the history about America s only rear engine air cooled engine car *Tales from the Dordogne* Rudolph Lea,2012-02-10 In this collection of articles the author paints vignettes and describes happenings from the vantage point of an American observer in what he has dubbed the Golden Triangle in France The focus is on a fascinating group of persons and personal experiences in a corner of the beautiful Dordogne valley in the northern edge of the Lot that is still relatively unspoiled and filled with an astounding number of significant places The entire region throbs with the material reminders of prehistoric Celtic Roman and medieval times especially with the beauty of well preserved fourteenth century villages Above all it is the portraits of the several protagonists that provide a look at the infinite complexity of individuals and their experiences **How to Fix Absolutely Anything** Instructables.com,2014-05-27 The one book that shows you how to fix anything anywhere in your home There are a million things that can go wrong in your home Faucets leak Floorboards creak Paint flakes Chairs break With How to Fix Absolutely Anything you ll have step by step instructions to tackle even the most confounding repairs in your home including Installing a toilet Replacing the belts on your washer and dryer Patching up a hole in the wall Bringing a power adapter back to life Re covering chairs Getting wax out of your carpet And many more From changing lightbulbs to fixing a kitchen cabinet hinge How to Fix Absolutely Anything is a collection of the most indispensable advice and tips from people across the world who face the same problems you do Hundreds of color photographs and easy to follow instructions make this book perfect for all levels of experience It s a no brainer for any homeowner and the one gift to get any friend family member or loved one living on their own for the first time Broke the microwave handle and don t know what to do With How to Fix Absolutely Anything the solution is only a few pages away
